Detroit Specialist Discovers Something Entirely New For the Cure of Men's Diseases in Their Own Homes.

## YOU PAY ONLY IF CURED

Expect No Money Unless He Cures You. Method and Full Particulars Sent Free. Write for it This Very Day.

A Detroit specialist who has 14 certificates and diplomas from colleges and medical boards, has perfected a startling method of curing the diseases of men in their own homes, and so that there may be no doubt in the mind of any man that he has both the method and the ability to do as he

DR. S. GOLDBERG.

The possessor of 14 diplomas and certificates who wants no money! that he does not earn.

Dr. Goldberg, the discoverer, will send the method entirely free to all men who send him their names and address. He wants to hear from men who have stricken that they have been unable to get cured, prostatic trouble, sexual weakness, varicocele, most manhood, blood poison, hydrocele, etc. This wonderful method not only cures the condition itself, but likewise all the complications, such as rheumatism, bladder or kidney trouble, heart disease, etc.

The doctor realizes that it is one who make claims and another thing to back them up, so he has made a rule not to ask for money unless he cures you and when you are cured he feels sure that you will willingly pay him a small fee. It would seem, therefore, that it is to the best interests of every man who suffers in this way to write the doctor confidentially and say your case before him. He sends the method as well as many booklets on the subject, including the one that contains the 14 diplomas and certificates, entirely free. Address him simply Dr. S. Goldberg, 206 Woodward Avenue, room P, Detroit, Mich., and he will all immediately be sent you free.

This is something entirely new and well worth knowing more about. Write at once.

When Lydia E. Pinkham's Remedies were first introduced skeptics all over the country frowned upon their curative claims, but as year after year has rolled by and the little group of women who had been cured by the new discovery has since grown into a vast army of hundreds of thousands, doubts and skepticisms have been swept away as by a mighty flood, until to-day the great good that Lydia E. Pinkham's Vegetable Compound and her other medicines are doing among the women of America is attracting the attention of many of our leading scientists, physicians and thinking people.

Merit alone could win such fame; wise, therefore, is the woman who for a cure relies upon Lydia E. Pinkham's Vegetable Compound.

"No Names Used Without Written Consent."

If you have transgressed against the laws of nature, you must suffer. Self abuse, later excesses and private diseases have wrecked thousands of promising lives. Treat with scientific physicians and be cured. Avoid quacks. E. A. Sidney, of Toledo, says: "At the age of 16, I learned a bad habit and at 19 contracted a serious disease. I treated with a dozen doctors, who all promised to cure me. They got my money and I still had the disease. I had given up hope when a friend advised me to consult Dr. K. & E., who had cured him. Without any confidence I called on them, and Dr. Kennedy agreed to cure me on no pay. The drains ceased, wormy veins disappeared, nerves grew stronger, hair stopped falling out, urine became clear and my sexual organs vitalized. I was entirely cured by Dr. Kennedy and recommended him from the bottom of my heart."
