Patented, Aug. 10, 1915

HERE ARE A FEW OF THE THINGS IT WILL POSITIVELY DO FOR YOU:

- 1—It will save from 16 to 20 per cent fuel consumption.
- 2—It will increase the horse power.
- 3—It will practically eliminate carbon deposit.
- 4—It will help the ignition system to do its work properly.
- 5—It will aid greatly in cold weather by bringing about more perfect vaporization of the fuel.
- 6—It will cause your engine to run much more smoothly.

READ WHAT A FEW USERS THINK ABOUT THE CROUCH VAPORIZER

Crouch Vaporizer, City

6th April, 1915

Messrs. T. C. Crouch & Co.,
405-6 Canada Building, Saskatoon.

Saskatoon, Sask., July 19, 1915

Gentlemen,—I installed a Crouch Vaporizer on my 1914 Model Ford Car, and after a test of about one week from every standpoint, I do not hesitate to recommend it highly for Ford Cars, and I think that the same would apply to any other make.

After this test thoroughly worked out, I fully believe a saving of 15 per cent. can be had on gasoline, and much more power, outside of engine running with apparent ease.

Yours very truly,

GEO. O. FULLER, Mgr. Reliance Lumber Co.

Gentlemen,—I take pleasure in advising you that in running trials on the Exhibition Track to-day I secured the following results with your Vaporizer:

Without the Vaporizer, 18.2 miles per gallon.

With the Vaporizer, 21.5 miles per gallon.

The gasoline was in a special one-gallon can connected direct to the carburetor, independent of the gasoline tank, therefore there can be no question as to the measurement, which was the same in both cases; also, I found while driving that the engine responded more quickly, and I had evidently more power when using the Vaporizer.

Yours truly, E. HANSON, City Electrical Engineer, Saskatoon, Sask.

READ THIS AFFIDAVIT OF ONE WHO HAS TRIED THE CROUCH VAPORIZER WITH KEROSENE

Form No. 369—STATUTORY DECLARATION—1-11-14.
CANADA
PROVINCE OF ALBERTA

To Wit:
I, CHARLES HOUCHEUR, of the Town of Caer, in the Province of Alberta, farmer, do solemnly declare:

1. That I have owned and operated a T. Eaton 4-horsepower gasoline engine for a period of 4 years.

2. That on or about the month of May, 1914, I purchased from Thomas Crouch one of his Vaporizers for an internal combustion engine and had it placed on my said 4-horsepower T. Eaton gasoline engine.

3. That after placing the said vaporizer on my said engine I noted the following results:

(a) That whereas the engine formerly had scarcely sufficient power to operate a crusher with a 4-inch plate, after putting on the vaporizer the power was so much increased that I purchased a crusher with an 8-inch plate, and the engine now operates the crusher with the 8-inch plate better than it formerly operated the crusher with the 4-inch plate.

(b) That I also noted that in sawing wood the power of the engine was very much increased.

(c) That there also was a substantial reduction in the amount of fuel consumed.

(d) That whereas I could formerly use only gasoline in the said engine, with the vaporizer on it operates equally well if not better with kerosene or other low grade oils.

And I make this solemn declaration conscientiously believing it to be true and knowing that it is of the same force and effect as if made under oath and by virtue of "The Canada Evidence Act."

C. HOUCHEUR.

Declared before me at the Town of Caer in the Province of Alberta, this 26th day of February, A.D. 1915.

W. A. GILCHRIST,

A Notary Public.

I, JOHN LONG, of the Town of Caer, in the Province of Alberta, do solemnly declare that:

1. That I have owned and operated an I.H.C. 8-H.P. gasoline engine for a period of 4 years.

2. That on or about the month of June, I purchased from Thomas Crouch one of his vaporizers for an internal combustion engine and had it placed on my said International Harvester gasoline engine.

3. That after placing the said vaporizer on my said engine I noted the following results:

(a) That in grinding the power of the engine was very much increased.

(b) That there also was a substantial reduction in the amount of fuel consumed.

(c) That whereas I could formerly use only gasoline in the said engine, with the vaporizer on, it operates equally well if not better with kerosene or other low grade oils.

And I make this solemn declaration conscientiously believing it to be true and knowing that it is of the same force and effect as if made under oath and by virtue of "The Canada Evidence Act."

JOHN LONG.
