Toronto Silo Means Dairy Profits

The most economical silo is the silo that gives the greatest capacity for the money, while affording complete protection to the ensilage.

These things the Toronto Silo does. The Hip Roof gives you extra capacity. The double tongued and grooved staves of selected spruce give adequate protection against air and frost.

The Toronto Ensilage Cutter will complete your equipment and save you waiting on a hired machine. Gives you that smooth, trouble-free service so necessary to quick, profitable work.

Our booklets on silos and ensilage cutters cover the subject completely and are full of valuable information. Sent free if you request them.

LANDS WANTED FOR... SOLDIER SETTLERS

POWERS have been granted to the Soldier Settlement Board of Canada by Order in Council of the 11th of February, 1919, to purchase land to be re-sold to qualified returned soldiers who desire to make farming their permanent vocation.

To assist soldiers in settling in any suitable district in which they may wish to locate, the Soldier Settlement Board desires to have filed in each of their Provincial Offices a select list of farm lands available for purchase in each district of the Eastern Provinces, with full description and lowest cash prices of the same. Purchases by the Board will be paid for in cash.

The public are informed that this land is for purchase by returned soldiers, and must be of good agricultural quality, and reasonable price, making possible the success of the soldier as a farmer. It should be within seven miles of a railway, open, free from weeds, water supply assured, and of moderate price. In giving particulars, mention nearest market and school. In comparison with the vast supply of vacant lands, the number of farms immediately required will be very limited. Owners, therefore, will kindly assist the Board by offering for the present only land which fills the above requirements.

No commission will be charged or paid. No offers to sell will be binding on the person offering, unless a sale is effected, and no obligation will be on the Board to accept any offer.

If application from a returned soldier be received for the purchase of land, an inspection and valuation of such land may be made by the Board, as soon as free from snow. If approved, negotiations may be entered into for the purchase and sale thereof. An approved list is desired for each suitable district throughout Canada.

All communications concerning land in the Eastern Provinces should be addressed to the Provincial Supervisor of the Soldier Settlement Board for the province in which the land offered for sale is situated, a list of whom is given below:—

ONTARIO: Mr. W. M. Jones, 32 Adelaide St. E., Toronto.	NOVA SCOTIA: Mr. R. H. Congdon, 529 Barrington St., Halifax.
QUEBEC: Lt.-Col. Bruce F. Campbell, Drummond Bldg., Montreal.	PRINCE EDWARD ISLAND: Soldier Settlement Board, Riley Bldg., Charlottetown.
NEW BRUNSWICK: Mr. Wm. Kerr, Post Office Bldg., St. John.
