HOWELLS ON WOMAN SUFFRAGE.

In my opinion, suffrage for women is bound to come. There are many arguments against it, but no reason. Thus spake William Dean Howells, who is in the limelight afresh because of the celebration of his 75th birthday.

Had Palpitation of the Heart Weakness and Choking Spells

When the heart begins to beat irregularly, palpitate and throb, beats fast for a time, then so slow as to seem almost to stop, it causes great anxiety and alarm. When the heart does this many people are kept in a state of morbid fear of death, and become weak, worn and miserable.

To all such sufferers Milburn's Heart and Nerve Pills will give prompt and permanent relief.

Mrs. John J. Downey, New Glasgow, N.S., writes:—"Just a few lines to let you know what your Milburn's Heart and Nerve Pills have done for me. I was troubled with weakness and palpitation of the heart, would have severe choking spells, and could hardly lie down at all. I tried many remedies, but got none to answer my needs. Milburn's Heart and Nerve Pills. I can recommend them to all having heart or nerve troubles."

Price 50 cents per box, or 3 boxes for \$1.25. For sale at all dealers, or mailed direct on receipt of price to The T. Milburn Co., Limited, Toronto, Ont.

GOSSIP.

G. M. Forsyth, North Claremont, Ont., breeder of Shorthorns and Clydesdales, writes: The imported bull, Dorothy's King, advertised in "The Farmer's Advocate," has been sold to Robt. Nichol & Sons, of Hagersville, Ont. Mr. Nichol bought him over the telephone, without seeing him, and when received he wrote me that he was well pleased with him. This is a good breeding bull, and I am sure he will do Mr. Nichol lots of good. Among other recent sales are: To Chas. E. Bonnycastle, Campbellford, Ont., a roan yearling Clementina bull; another twelve-months roan, out of Bella Hillhurst 2nd, she out of Bella Hillhurst (imp.), and got by Royal Champion (imp.), to Moses Norton, of Goodwood, Ont.; another sixteen-months-old bull of the right kind, to John Paget, of Sundridge, Ont.; also to Wm. A. Wallace, of Kars, Ont., three two-year-old heifers, one out of Bella Hillhurst, and got by Dorothy's King (imp.); the second a roan half-sister to Mr. Wallace's 1911 grand champion heifer at Ottawa; the third a right good roan heifer, by Brilliant Star (imp.); also a four-year-old Clementina cow. I also helped Mr. Wallace to buy the balance of a carload, of which a lot of good things were secured. I can supply a few more good young bulls at right prices; also two Clyde stallions, rising two, one of them tracing to imported stock on both sides, and a good yearling filly.

MORRISTON TAMWORTHS AND SHORTHORNS.

A recent call at the farm of Charles Currie, of Morriston, Ont., found him well pleased with his winter's trade in Tamworth hogs and Shorthorn cattle. His large herds of both lines of stock have come through the winter in good condition; in fact, we never saw them looking better at this season. In Tamworths, there are now on hand considerably over the hundred, of all ages, from a few days old up to breeding age, of both sexes. The show-ring record of this herd, particularly at Toronto and the Guelph Winter Fair, is too well known to need comment, and it is a fact that the herd of to-day is stronger in the matter of quality and perfection of type than ever before in its many years' history. The offering in young things of either sex is, for intending purchasers, particularly strong, probably the strongest in the country, being bred from the several brood sows ranging in weight from 500 to 750 pounds, daughters of those great boars, Imp. Knowle King David and Imp. Cholderton Golden Secret, and having for grandsire on their dam's side that great boar and noted champion, Colwill's Choice, nearly all these sows having been winners at either Toronto or Guelph. The young things are sons and daughters of the two present stock boars, College Radiant and College Patron, both bred at Macdonald College, from sires and dams imported specially for use in the college herd. The selection for breeding stock in the Morriston herd just now is such that intending purchasers would do well to order early. In the past year Mr. Currie has shipped Tamworths to Ladner and Duncan, British Columbia, Saskatchewan, Alberta, Quebec, New Brunswick, Kentucky, Illinois, and Georgia. The Shorthorns are bred from well-known milking strains. There are cows in the herd good for 60 lbs. a day when fresh, and, coupled with this, is a splendid, level, even type. Many of the younger things are the get of the milking-bred bull, Morriston Ben Lomond, a son of Imp. Ben Lomond; younger ones are the get of Prime Lad, a son of the Toronto champion, Imp. Prime Favorite. The present stock bull is Imp. Proud Royal, a roan of more than ordinary excellence in levelness of lines and good type. For sale are several bull calves up to five months of age, and females from the same camp.
