Hardly any rubbing with Sunlight Soap. The Sunlight Maids say it's child's play.

SUNLIGHT SOAP

Will wash anything, but to secure best results with least labor should be used in the Sunlight way. First dip the articles to be washed in a tub of lukewarm water and draw it out of the water on a wash board and rub the soap over it lightly. Then roll them up tightly and lay under the water. Leave them there for thirty minutes and let Sunlight Soap do its work. Commence rubbing the clothes lightly on the wash board and the dirt will drop out. Turn the garments inside out to get at the seams but don't use any more soap. No need to scald or boil a single piece and don't wash through two suds. Rinse in lukewarm water taking care to wash out all the dirty suds, then ring out and hang out to dry. That's the Sunlight way. It makes the clothes snowy white.

ASK FOR THE OCTAGON BAR

Sunlight Soap washes the clothes white and won't injure the hands.

FARM FOR SALE

A Rare Opportunity.

One of the finest in Western Ontario. Thoroughly drained and well fenced. It is in the highest state of cultivation, absolutely free from noxious weeds of any sort. Contains 150 acres of excellent loamy soil, more easy and comfortable to work than heavy soil, but by no means a light or hungry nature. It is nearly square in shape, and has no waste land. A small spring creek and never-failing spring within fifty yards of buildings. The barns are large and in good condition. The house was lately remodelled, and is large, comfortable and convenient, with an unfailing well of perfectly pure water very close. There is a beautiful grove and lawns, also orchard and various small fruits, sufficient for home use, about four acres timber and twenty acres fall wheat. Situated within ten miles of the City of London, very close to the main road, and convenient to school, post office, and English, Presbyterian or Methodist churches, also within ten minutes' walk from the route of the electric road now under construction from London. Will sell either 100 acres, with buildings above described, or 50 acres with separate set of buildings (also with spring creek), or both together, to suit. Price is reasonable, and terms will be made to suit purchaser. This place is an ideal home in a good neighborhood and an A1 farm in best possible condition for making money, either from stock or crops. This farm has been the property and home of the present owner for nearly thirty years, and he now proposes retiring, and will sell at once in order to get settled in London before winter. Inquiries will be promptly answered by addressing
