accompanied by the following address. Drag FRIEND AND TRACHER,—As time rolls on its cesseless course, constant changes are being wrought, some sad, some joyful, some that fill us with delight, others that rend our hearts with anguich. It has been decreed by infinite wisdom that the most loving and long-tried friends must part, even though the souls be torn with the most poignant grief and the unbidden tests well up from the throbbing and aching hearts, and give expression to sorrow that will not be quieted. We, your present and former puplik, have learnt with sincers regret of your decision to separate from us, and transfer your labors to some other field. We have, therefore, taken this opportunity of testifying our regard for you, and our appreciation of your unitring diligence and slsterly soliditude during the many years you have devoted to our welfars. We always aw in you a warm and loving friend, a kind and self denying tescher, though we fear that often in our childish thought-lessness we sorely taxed your patience. Yet we feel and hope that you will forgive our awyardness and remember us only as your obedient and affectionate pupils and sincere friends. We take great pleas-ure in presenting you with this little gift, not because it is the custem to make such offerings, but because we are prompted by feelings of the deepest respect and sitem for you. We conclude by wishing you a merry Christmas and a bappy, heavy for. Signed on behalf of the pupils, <u>MART STANDISM.</u> Mart STANDISM. It is by the

corder Brown's ability and iscors he spoke at considerable length, pointing out how much the success of the "C, M. B. A" depended on Mr. Brown's labors, and expressed the hope that at the next Grand Council session the presmanent services of Mr. Brown would be secured, and that he would receive such compensation as would enable him to devote his whole time to the Associa-tion. Several other toasts, including that of the hostess and young ladies, were ably responded to by various brothers, when Deputy Quillinan pro-posed a toast which he hoped would be enthusiastically received, as it deserved, vis, the success of Branch 61 and the prosperity and happiness of its officers and members. This brought a very appropriate re-sponse from President Horey and other members, after which all present ad journed to the parlor, where Miss Leo ably presided at the pino, and nearly two more hours were most agreeably spent in song and musio. At 1 o'clock a m, the visitors started "homeward bound-happy to meet, serry to part, and anxious to meet scon again."

At a meeting of St. Mary's Branch of the League of the Cross, Hamilton, held Tnesday evening, December 27th, the following preamble and resolutions were manimously adopted : That, Whereas it has pleased Almighty God to remove from this earthly vale his Lordship Bishop Carbery, the founder of this branch of the League of the Cross, and Whereas, in the death of our beloved bishop, Holy Church has lost one of her most distinguished and most talented pre-lates, our diocese a pastor who watched with unitring vigilance and extmodianty real over the spiritual welfare of his flock, and our League a kind directer and benefactor, be it therefore Besolved, That this branch of the League, while humbly submitting to the will of an all wise Providence, deeply deplores the demise of our ists bishop, feeling that in his death the cause of temperance has lost an earnest advocate.
