Branch No. 38, Cornwall. From Cornwall Standard. The concert given in the Music Hall on Monday evening, to celebrate the tenth anniversary of Cornwall Branch, No. 38, of the Catholic Mutual Benefit Association, was a great success. There was a large attendance, and the members of the order are to be congratulated on the excellence of the entertainment provided. The opening overture, "Turco in Italia," Rossini, by Fleck's Orchestra, was a very creditable per-formance. Mr. B. Davey sang "The Old Tarnkey" very acceptably, and responded to an encore. A recitation entitled, "Mr. Brown has His Hair Cut," by Miss B. Murphy, followed, and was heartily applauded. Mr. H. Brown sang a comic song, "Ma-honey's 4th of July," and responded to an en-core. The next number was the musical event of the evening. Miss Hollinshead, of Montreal, sang "The Holy City," Adams, with splendid effect. Miss Hollinshead pos-periling the dual the quality. Curran, Solicitor General of the Dominion, occupying a seat on his right. In a few well-chosen words the chairman intro-duced the Hon. Mr. Curran, who was re-ceived with a hearty round of applause. Mox. J. J. CURRAN'S ADDRESS. The hon. gentleman expressed his pleasure at being honored with an invitation to be present, and his warm appreciation of the cordial welcome that had been extended to him. After having in eloquent terms spoken of the beneficial effects of the society, the hon. gentleman devoted his attention to Canadian affairs, but in so skilful a manner as not to wound the susceptibilities of the keenest political opponent. He spoke of the ideas some people have of public men and their motives, and said he would give them a quotation from a speech of Sir Richand Cart-wright, delivered on a very memorable occasion. Sir Richard was not an optimist (great laughter), yet his words were : "Sir, I believe that henceforth it will not be found so easy to array citizen against citizen, race against race, as it has been heretofore.
