now has in full operation, with regular daily trains, 321 miles of road. A distance of nearly 290 miles mediately on its completion, entered upon a satisfactory business, including local traffic and the large carrying-trade of the North-western British extilements and the Hadson's Bay Company. The recently completed section of sixy-five miles, on the Pacific coast, at once commands a profitable business between Pager's Sound and the Columbia river, heretofore done by coastwise steamers. On the opening of Spring, with more than 500 miles of road in regular operation, the Company will control the extensive and productive trade of the Upper Missouri, much of Montana and the Northwest. The earnings of the Road for 1873 will be large.

Arrangements for pushing construction vigorous y the coming year are progressing satisfactorily. Of the nearly ten million acres of land accruing

average price thus far realized is \$5.56 per acre—which is at the rate of more than \$100,000 per mile of road for the whole grant.

The Company has already begun the process of redeeming and cancelling its First Mortgage Gold Bonds, as they are now being received at 1.10 in payment and exchange for the Company's lands. With these accomplished results and most favorable prospects, the Company is now selling its First Mortgage 7-30 Bonds for the purpose of completing its line of road. We recommend them as a well-secured and unusually profitable investment. They have the following elements of strength and safety: They are the obligation of a strong corporation; they are a First Mortgage on the Road, its right of way, telegraph line, equipments and franchises, and 2 Cases POCKET CUTLERY. way, telegraph line, equipments and franchises, and a first loan on its net earnings. In addition to this usually sufficient security, there is pledged for the payment of principal and interest, a land grant of 12,800 acres per mile of road through the States, 25,600 through the Terriories.

Halifax, December 5th, 1872 R. C. MARGESON & Co. Dear Sir:—Having been affected with Gravel and finding that the doctors could do nothing

for me, I was induced to buy your medicine ealled Calculifuge, and I am happy to say after the second trial I was perfectly cured. Recommending it highly to any fellow-sufferer with the same complaint, I remain, your humble EDWIN F. CUTLIP. R. C. MARGESON & Co. Dear Sir.—I feel constrained to make you my acknowledgement for the benefit received, as follows: My horse was suffering from sup-

consequence, suffering considerable pain; I was recommended to try your Calculituge; I procured it, and gave a strong dose and am happy to say had the desired effect in a com Yours, with regard.
