

That the persons who have signed the application of *Jacques La Combe*, except a very small number, are not residents of the said village and parish of *L'Assomption*, and have no interest in the situation of the said bridge, and that the few persons of the village who have signed it, occupy very high ground, which places them beyond the reach of any injury which might result from it.

That in fine, should it please the Legislature to grant such privilege to the said *Jacques La Combe*, may it be pleased to fix the spot of the said bridge above the village of the said place, for the purpose of preserving the proprietors of the place from all damage. But the subscribers convinced of the sage deliberations of this House, dare hope that it will be pleased to take into consideration their just reasons of opposition, and maintain them in their former measures and according to the course of the Law, and they will not cease to pray.

A PETITION of sundry persons, whose names are thereunto subscribed or underwritten, styling themselves to be inhabitants of the parish of *Saint Paul*, *Seigneurie* of *La Valtrie*, and County of *Warwick*, was presented to the House by Mr. Mure, with a translation thereof in English; and the same was received and read.
