Our Teas Are Better

Than they ever were.

Strange too that good Tea should cost less than it ever did, but it's a fact.

Now-a-days lots of people find that a really good 25 cent Tea is really a good Tea.

At least those who use ours do.

We've been demonstrating big Tea values at little prices lately.

We're asking for our Teas only a trial.

They will win their own way into recognition if given a chance.

Will you give them a change?
