

LIVE STOCK MARKETS. TORONTO.

There was a small but quite brisk market at the City Cattle market to-day. The run was small, and there were more would-be buyers in the market than were cattle to supply them. Business went off quite sharp at firm prices, showing an advance for medium to good butcher cattle of from ten to fifteen cts over last week's market.

The run was 26 loads, with 440 head of cattle, 490 sheep and lambs, 300 hogs and 39 calves.

Export—Market firm at \$4.50 to \$4.75 for choice cattle; extra choice, well finished, \$5.00; medium, \$4.10 to \$4.25; bulls, \$3.50 to \$4.25; cows, \$3.50 to \$4.

Butcher—Market a little firmer; choicest picked butcher, \$4.50 to \$4.75; good, \$4 to \$4.25; common mixed cattle, \$3 to \$3.50.

Stockers—Market not active, and very small demand.

Lambs—Market steady.

Hogs—Market steady to firm at recent advance.

Gunns, Limited, quote best hogs at \$5.40 at country points. Harris quotes Toronto prices at \$5.70 the best selects.

Crawford and Co. sold a couple of lambs at an average of \$4.40 per cwt.

Wesley Dunn bought 100 sheep at \$4 per cwt., 350 lambs at \$5.40 per cwt., and calves at \$6 to \$7 each.

C. Zeagman bought a couple of loads of mixed common butcher cattle at \$1.75 to \$2.60.

G. Dunn bought a couple of loads of mixed cattle, cows, steers and heifers, at \$2.50 to \$3.50, and a load of choice steers at \$4.50.

James Corbett sold 16 butcher cattle, 940 lbs, at \$3.75; two cattle, 1140 lbs, at \$4.80; 18 cattle, 970 lbs, at \$3.30; two cows, 1060 lbs, at \$3.25; bulls, 920 to 1310 lbs, at \$2.50 to \$3.75; 50 lambs, about 85 lbs, at \$5.65.

LAKELET.

Arrangements have been made by the young people of the McIntosh church to have a tea meeting on Tuesday, 14th of Jan., 1908. Should Mildmay retain its reputation we will be able to look upon at least half a hundred of its inhabitants that night.

Revs. Husser and Johnston of Fordwich addressed a meeting in the Methodist Church here in the interests of the Local Option Campaign. There were but few present. Very little interest is being taken in the campaign here. There will be some votes for the measure and a whole lot against it at this polling sub-division.

As usual there were very few out at the Bible Society meeting here. The Rev. Mr. Eddy of Clifford delivered an excellent address. The Pres., Mr. Jas. Wright, occupied the chair. All the old officers were re-appointed. Henceforth the services of an agent will be dispensed with at this Branch. We can then have our meeting when we like. It was a very badly managed affair on the part of the agent this year.

Misses Edna and Maud Bushfield are spending the holidays at their home here. The former teaches in Minto and the latter is attending Wingham High School. Mr. Edward Underwood, who spent the summer in New Ontario, is home for the holidays. Miss S. Bell of the 17th, a pupil of the Wingham Business College is spending the holidays with her mother and sisters.

There will likely be a run for the different positions in this township for municipal honors again. Howick must have an election. We are not in a position to state as yet who the aspirants for the positions are.

Messrs. Murray and Caudle are cutting wood on shares in Thos. Inglis' bush. They have built a shanty in which they keep their horse and eat their dinner.

We hear that W. Renwick will again run for councillor in Howick. Walter should win and would win if it were not for the villages of Fordwich and Corrie. They have a big vote there and take care that their own men get their votes.

WORTH MONEY.

Bishop Williams, of Connecticut, for many years president of the Episcopal Church, lived all his life unwed. A friend mentioned that one of the States was imposing a tax on bachelors, to be increased a certain per cent. every ten years of bachelorhood, and added: "Why Bishop, at your age you would have to pay a hundred dollars a year."

"Well," said the Bishop quietly, "it's worth it."

Rabbits, says a naturalist, have white tails, so that the young may be able to distinguish their mother in case of pursuit. The color of a rabbit is so like the ground that this would otherwise be difficult, if not impossible.

SHAKE IN A BOTTLE.

Now is the time when the doctor gets busy, and the patent medicine manufacturers reap the harvest, unless great care is taken to dress warmly and keep the feet dry. This is the advice of an old eminent authority, who says that Rheumatism and Kidney trouble trouble weather is here, and also tells what to do in case of an attack.

Fluid Extract Dandelion, one-half ounce; Compound Kargon, one ounce; Compound Syrup Sarsaparilla, three ounces. Shake well in a bottle and take a teaspoonful after each meal and at bedtime.

Just try this simple home-made mixture at the first sign of Rheumatism, or if your back aches or you feel that your kidneys are not acting just right. This is said to be a splendid kidney regulator, and almost certain remedy for all forms of Rheumatism, which is caused by uric acid in the blood, which the kidney fails to filter out. Any one can easily prepare this at home and of small cost.

Druggists in this town and vicinity, when shown the prescription, state that they can either supply these ingredients, or if our readers prefer, they will compound the mixture for them.

HURT YOUR TOWN.

Fight on your streets; oppose improvements; mistrust public men; run the town down to strangers; go to some other town to trade; refuse to advertise in your paper; do not invest a cent; lay out your money somewhere else, be particular to discredit the motives of public spirited men; lengthen your face when a stranger speaks of locating in your town; if a man wants to buy your property ask him two prices for it; if he wants anybody's else interfere and discourage him; refuse to see the merit in any scheme that does not exactly benefit you; run down your newspapers; run down your officers; run down everything and everybody but Number One; talk in the loafing places of how bad times are, of how everything and everybody is going to the "demnition bow-wows."

REIBLING—DAMM.

Someone has said that chief among the numerous and inestimable benefits one may derive from a college course are the friendships formed among the students. Friendships are there and then formed among young people that shall endure a life-time. Nor is the arch-knave Cupid by any means inactive.

About three years ago Norman H. Reibling of Rostock, Ont. made the acquaintance of Miss Barbara R. Damm of Alsfeld, Ont., both being at that time students of North Western College, Naperville, Ill. The acquaintance developed into a friendship which became more and more intimate as the years rolled by, culminating in an engagement for marriage a few months ago the consummation of which took place at the home of the bride on Tuesday Dec. 24th, at 4 p. m. The ceremony was performed by Rev. G. D. Damm, of Berlin, brother of the bride, assisted by Rev. E. D. Becker, of Alsfeld.

Only the immediate friends of the contracting parties were present. Miss Essie Becker played the wedding march from Lohengrin. Under a beautiful arch of evergreen with floral decoration the groom greeted the bride who was given away by her brother, Edward.

The bride was handsomely attired in a gown of cream cashmere with insertion and silk applique. After congratulations all repaired to the dining room, where a sumptuous repast was served. The bride and groom were the recipients of useful and valuable presents.

Mr. and Mrs. Reibling left Wednesday morning for Rostock, Stratford, Berlin and other points. The bride's travelling suit was of brown ladies' cloth, with hat to match.

They will take up residence at Naperville, where Mr. Reibling will complete his theological studies before entering the ministry of the Evangelical Association.

It requires a strong stretch of vision for a man to see beyond his own prejudice.

GIVING IT AWAY.

Two Highland farmers met on their way to church. "Man," said Donald, "I wass wonderin' what you will be askin' for on bit sheep over at your steadin'?" "Man," replied Dugal, "I wass thinkin' I wad be wantin' fifty shillin's for that sheep."

"I will take it at that," said Donald; "but och, man, Dugal, I am awful surprised at you doin' business on the Saw-bath."

"Business!" exclaimed Dugal. "Man, sellin' a sheep like that for fifty shillings is not business at all; it's just charity."

Cough Caution

Never, positively never poison your lungs. If you cough—even from a simple cold only—you should always heal, soothe, and ease the irritated bronchial tubes. Don't blindly suppress it with a stupefying poison. It's strange how some things finally come about. For twenty years Dr. Shoop has constantly warned people not to take cough mixtures or prescriptions containing Opium, Chloroform, or similar poisons. And now—a little late though—Congress says "Put it on the label, if poisons are in your Cough Mixture." Good! Very good! Hereafter for this very reason mothers, and others, should insist on having Dr. Shoop's Cough Cure. No poison marks on Dr. Shoop's labels—and none in the medicine, else it must by law be on the label. And it's not only safe, but it is said to be by those that know it best, a truly remarkable cough remedy. Take no chance then, particularly with your children. Insist on having Dr. Shoop's Cough Cure. Compare carefully the difference. No poison marks there! You can always be on the safe side by demanding
