NEIGHBORHOOD NEWS GATHERINGS.

CULLED FROM OUR EXCHANGES AND BOILED DOWN FOR GAZETTE READERS.

HURON.

At the funeral of the late Donald McKenzie, in Brussels, on Thursday afternoon, there were 52 Sons of Scotland in the procession, each wearing a Tam o' Shanter.

Two sons of Peter Campbell, West Wawanosh, near Belfast, have recently moved onto the farm known as the Johnston Farm, which Mr. C. purchased some months ago at a very low price. It is situated on the fourth concession E. D., Ashfield.

James Kehoe, of Seaford, met with an accident a week or so ago which might have proved fatal. He was coming home in a light wagon along Mr. Keating who was sitting behind in the box of the wagon, when he suddenly fell out on his head on the hard road. The accident took place coming through

Egmondville. Kehoe was attended to by a physician and is now nearly recovered.

Mr. John Austin, of Ashfield, near Goderich, has been appointed to the railway mail service as relieving clerk, running between Stratford and Winton.

PERTH.

John French, a prisoner in the Stratford jail, made his escape on Monday morning of last week. He had been sent down from Mitchell and was serving a term of five months for wife-beating. He had put in about two months out of the five.

Nearly all kinds of crops in the vicinity of St. Marys are excellent. The recent rains did very little harm, although peas and late oats in low, heavy soil are slightly damaged. Fall wheat and other grain crops never looked better. Hay, fruit and vegetables bid fair to be above the average.

Seed Potatoes.

I HAVE on hand a supply of JACKSON Potatoes, which I will sell at \$2.1 per bushel. These potatoes are of a hardy, Southern variety, have proven to be heavy, prolific yielders in this climate, and were almost entirely free from rot last season. Too quantity is limited so come early. J. R. WILLIAMS, Gorrie.

Editor.

Millinery.

Our Millinery Department grows in popular favor every season.

Why ?

Because we keep the newest goods, made up in the most artistic styles.

There must be taste or there'll be trash no matter what you pay for it.

New Goods for summer wear are coming forward.

The choicest goods are taken first.

Come early and get the best.

Dress Goods.

We have the newest shades and most popular effects in dress goods. We call especial attention to our black and colored all-wool Henriettas from 40c. per yard upwards.

Tweeds, Coatings, etc.

We show the best goods and best values. If you want a spring suit or overcoat you will make a mistake if you purchase without inspecting our stock.

Cotton Goods.

Anticipating an advance in price in all lines of cotton goods as a result of the recent combination of manufacturers, we have bought largely in cottonades, denims, shirtings, grey and white cottons, etc.; we are headquarters for these goods.

Groceries.

In this line we keep the highest grades of goods at the lowest possible living prices.

Teas.

We give the Tea trade especial attention. Our Japan at 4½ and 3 lbs. for \$1 cannot be excelled. We have cheaper and dearer lines but these are leaders.

A WORD IN CONCLUSION :

Some think us dear because we will not COME DOWN in the price of our goods. It is not our way of doing business. We mark all our goods in plain figures and sell at one price to all. The poor man's \$ is as good to us as the rich man's. We cannot see any other honest way of doing business. Our past experience convinces us that a majority of the public appreciates fair dealing and goods as they are represented.
