Webster was the works off; finally, Weister go enraged, wizzd a stick, and would have given a deally blow, had he not been prevented the next day he showed no resentment. Another in London: Webster being shaved, when D. Blatchford playfully remarked, "did you ere as a barber shave a morkey !" Webster was mad dearaged, seized a knife, sind would have strad him, had he not been prevented. D. Jeffn Wyman was introduced to show that Dr. Path Myman was a little thinner than the server. A Petition was presented by Professor Bown, signed by President Sparks and nearly all the Pie fersors of Harvard, praying for a commutate-not on the ground of his late confession, is they say he has iorfeited all claim to be beitevel-beitevel-by a great probability that exists that the at was not premeditated. No decision on the case. The Committee adjourned if the lith instant this date Steernge. 563 1.630 Gabin.
