CRAMP AND PAIN KILLER.

THE MOST SUCCESSFUL REMEDY KNOWN
For the cure of all Rheumatic Affections—Pain in the Stomach, Back, Side or Limbs—Stitches in the Back, Side or Limbs—Cramp in the Limbs or Stomach—Darting Pains, Bilious Cholic, Dysentery and Diarrhœa, Colds and Sore Throat, all cases of Local Inflammation—Cuts, Wounds, Bruises, Headache, Toothache, Burns, Scalds, Frozen Limbs, &c., &c.

THIS wonderful Medicine has effected many truly surprising cures in cases of the foregoing complaints. And we say no more than hundreds and thousands who have used this Liniment can testify. No Medicine ever was designed for that class of complaints, possessing more than a tythe of the power to relieve and cure as this.

We solicit particular attention to the fact that it does not contain a particle of *Opium* in any form. Neither does it contain *Camphor*.

It is free from any deleterious article, and cannot, in any supposable case, injure the patient.

It does not deaden the *Life Faculties*, nor produce the burning, dry rag, parching sensations, so much complained of in the use of other "Pain Killers."

It does not weaken the peristaltic motion of the bowels, producing *Costiveness*, and its attendant evils, but is a promoter of digestion, and of proper and healthy action in the stomach and intestine canal.

IN ALL RHEUMATIC AFFECTIONS,
LOCAL PAINS, &c., it has proved *surprisingly* successful, rarely *failing* to cure, even in the most desperate and long standing cases. (See Certificate.) In those cases, the parts affected should be freely bathed, and then rubbed lightly, but briskly—not hard enough to hurt the patient, till an irritation is produced on the surface, and in severe cases the patient should take half a teaspoonful on sugar or molasses.

CRAMP IN THE STOMACH, OR BILIOUS CHOLIC,
We believe it will never fail to *speedily cure*. It should be a teaspoonful at a time, on sugar or molasses, or in any manner the patient can take it best, and the stomach and bowels freely bathed. And if in fifteen or twenty minutes the patient does not find relief, repeat the dose.

DYSENTERY OR DIARRHŒA
Are speedily and easily *cured* by it. It should be given a teaspoonful at a time, once in an hour or two, or oftener in severe cases, and bathe the stomach and bowels with the same.

EVEN THE CHOLERA,
Which during the past season has swept off such fearful numbers, has been cured by it, we believe in every case, where it has been early and faithfully applied. In Bangor, where it proved supremely fatal, it was found to yield to this remedy, and CURTIS & PERKINS' *CRAMP AND PAIN KILLER*, was the Medicine recommended by the first Physicians, and by the Press, as the first, the surest remedy to be used.

As a dressing for *Cuts, Wounds, Bruises, &c.*, it is without a rival. As also in cases of *Burns, Scalds, Frozen, &c.*, relieving the *pain* and *healing* without scar.

FOR TOOTH-ACHE
It is, nine times out of ten, a *CURE*.

We believe it will *never fail*, unless the tooth is decayed. If the tooth is hollow, cut a piece of cotton the size and put it in the cavity. Hold some of it in the mouth. If the face is swollen bathe with it.

Bathing the head with it is generally a cure for the *Headache*.

We are constantly receiving certificates from every part of the country, many of which may be seen in newspapers, and in pamphlets, which may be obtained of any of our agents.

P. S.—It is the best *HORSE AND OX LINIMENT* in the world.

Please read the following statement from John Buckham, Esq., of Dixmount, Me.:—

DIXMONT, July 11, 1848.

Messrs. Curtis & Perkins,—For two years past I have been entirely prostrated with the Rheumatism; both of my knees were swelled to twice their original size—a large bunch came out on my breast bone, appearing like a part of the bone thrown out. Another bone was thrown out of my wrist. In short, I endured the most excruciating pains for nearly three years. I obtained the best medical attendance the country afforded, and tried a great number of medicines and prescriptions, without the least benefit or alleviation, when I had the good fortune to procure a bottle of Cramp and Pain Killer, prepared by Messrs. Curtis & Perkins, of Bangor. Soon after taking it I found I could get some rest nights, and the pain became less violent. I have continued to take it and apply it externally, until I have used eight bottles. I took much larger quantities than was recommended.—The swelling has all gone down, both in my limbs and breast, and I am entirely relieved from pain. I have been able to do a good day's work at any time for the last three months, for a man of my age. No description of my case can convey the vast amount of benefit I have received from this article. I believe it is the best article in the world for Rheumatism. I have also used it for cholic and pain in the stomach, and always found immediate relief.

PLANTAGENET WATER.

Among the objects of attraction at the late Industrial Fair, the celebrated Plantagenet Water held a conspicuous position, and its exhibition was attended, we learn, with the most favorable results. The demand at the Depot for this health-restoring draught was so urgent that it was with great difficulty strangers and visitors to the city could be supplied. The celebrity of these Mineral Springs has been so thoroughly and satisfactorily established that testimony of the most reliable character seems daily accumulating. The highly respectable certificates given in our paper of to-day will, if possible, increase their reputation, and add to their value throughout the Province. The testimony of the medical gentlemen is certainly highly favorable to the character and quality of these Springs.—Drs. Nelson and Gibb placing them above all other Mineral waters on this Continent:—

"I believe I was one of the first Practitioners of this city who recommended the use of the Plantagenet Spring Water, and since that time I have prescribed it to a very large number of my patients with invariable advantage.

"Two members of my family, of feeble and delicate constitutions, have derived marked benefit from the use of the Water. One had nearly lost all power in the right arm, the result of a severe paralytic attack of Rheumatism; the other was excessively debilitated from derangement of the digestive and alimentary organs.

"The administration of the Water is attended with the happiest result in constipation, arising from sedentary habits, and in aged persons.

"In hæmorrhœa, morning sickness, and the other complaints to which women are subject under certain circumstances, it acts most agreeably and effectually, but in these derangements, as well as when there is over action of the heart and bowels, it should be taken in smaller quantities at a time, till more recruited.

"From an extensive experience I am well satisfied with the operation of the Water; to weak persons it is quite palatable, and I deem it preferable to any one of the Mineral Waters I am acquainted with. I look upon many of the Mineral Waters as a great boon conferred by Providence on mankind.

"WM. NELSON, M. D., V. R. Col.,
"Phy. & Sur., Canada East."

"Many months experience in the use of the Plantagenet Wate s in my practice have fully convinced me of their value as a remedial agent, and I have not had reason on any single occasion to regret their use. I find that they seldom disagree with the stomach, and always act as a gentle aperient and alterative, and, from their composition, they possess, in addition, decidedly tonic properties.

"Certainly, too much has not been said in their favor, for they are, probably, the most valuable Waters on this Continent.

"GEORGE D. GIBB, M. D.,
"Licentiate Royal College of Surgeons, Ireland,
"Physician to the Montreal Dispensary.

"Montreal, 5th August, 1850."

The following certificate is from the Hon. Peter McGill, a Member of the Legislative Council of the Province, and President of the Bank of Montreal:—

"CHARLES LAROCQUE, Esq.

"SIR,—Having during the year past used the Plantagenet Water, so well known and so highly commended to public favor by many of our most eminent Medical Practitioners, I can bear testimony to its salutary effects on my own immediate health, and doubt not its efficacy in contributing to strengthen and invigorate the constitution of those who may freely use it. The value of this water has been generally acknowledged in this community, and my own experience of its excellent qualities, fully warrants me in giving my testimony to its beneficial effects.

ST. LEON AND CAXTON SPRINGS.

MONTREAL, June 2, 1850.

For the past twelve months I have frequently recommended the Waters of the St. Leon and Caxton Springs, and have formed a favorable opinion of their efficiency as aperients in various derangements and diseases. I have found both Waters well adapted, in the generality of cases, for accomplishing all the purposes of the ordinary saline aperient draughts, over which their tonic and alterative ingredients give them, for continued use, a superiority.

JOY TO THE BED-RIDDEN.
A VALUABLE DISCOVERY FOR
THE INSTANT CURE OF PAIN.

RADWAY'S READY RELIEF
Cures the worst diseases in Minutes and Hours, and stops the most cruel pangs of pain in Seconds.

SO quick and efficient is RADWAY'S READY RELIEF, in stopping pain and curing disease, that it has frequently raised the diseased and helpless invalid from a bed of sickness in a few hours. It has frequently cured the worst pains of—

Rheumatism	In four hours,
Neuralgia	In twenty minutes,
Tic Doloreux	In ten minutes,
Toothache	In three seconds,
Sore Throat	In one minute,
Sour Stomach	In five minutes,
Heart-Burn	In five minutes,
Bowel Complaints	In thirty-five minutes,
Cramps and Sprains	In twenty-five minutes,
Diarrhœa	In one hour.
Inflammation of the Bowels	In thirty minutes,
Local Inflammations	In ten minutes,
Infl'enza	In twelve hours,
Hoarseness	In ten hours,

Spinal Complaints, Swellings, Bruises, Sores, Wounds, &c., it will remove ten times quicker than any other remedy in use.

LET THOSE WHO SUFFER TRY IT!

It will prove itself in a few minutes. As soon as it is taken internally, or applied externally, its beneficial effects are seen. It is better than all other remedies.

HERE IS THE PROOF.

There is no other remedy that claims to subdue the cruel pangs of pain in seconds, minutes, or even hours. They require the patient to use dose after dose before a favorable change is promised. Not so with Radway's Ready Relief. Its effects are instantaneous; the first dose that is taken; or the first external application commences its great work of relief from pain.

BEAR IN MIND,

That Radway's Ready Relief will cure either of the above-mentioned Diseases in one-tenth the time it takes any other Remedy to give even Partial Relief.

TAKING COLD.

This sentence is constantly in the mouth of every person, in order to explain certain complaints. Those who use it mean, we think, have but a faint idea of its precise meaning. We will offer an explanation, which we believe to be the opinion of a majority of the most learned physicians. A person, for instance, has been over exerting any particular set of muscles—of the throat, from vocal speaking—of the loins, by too much stooping or bending, or those or any other part of the body: these parts or muscles are, consequently, weakened and relaxed, and become a fair prey for any disease. The person who has been thus acting, accidentally or otherwise, exposes himself to the cold air, the perspiration immediately ceases, and the blood, which had been but just now circulating rapidly throughout the surface of the body, is repelled inwardly, and is sure to settle in those parts which have been previously wearied and relaxed. Here, then, we have an accumulation of blood, a congestion, which gives rise to all the pain and stiffness attendant upon such complaint. When this takes place in the throat, we have what is called Sore Throat; when in the loins, Lumbago or Stiff Back; when in the chest, Pleurisy. We also have it in the shoulder-blade, side, and other parts.

RADWAY'S READY RELIEF,

Taken Internally and applied Externally.

Its first action, when freely applied, is to blunt the acute sensibilities of the nerves, and almost instantly relieves the pain; its secondary action is to excite perspiration, and reduce the parts over which it is applied almost to a glow, thereby determining the blood from the injured parts with a piece of flannel, and it will be found in every case to give immediate and permanent relief.

N.B.—If convenient, a piece of flannel saturated with the RELIEF, and tied or pinned around the parts, does good service.

A BAD COUGH CURED IN TEN MINUTES.

Mr. Rogkon, of Brooklyn, the celebrated Church Singer and Organ-Player, on the night of the 10th of December was attacked with a severe fit of coughing—so that he coughed from 9 o'clock until 12 o'clock, P. M., without three minutes intermission. One of the Clerks of Radway & Co., who sleeps in the next room, got up and gave him a tea-spoonful of the Relief internally, and bathed his throat, neck, and chest; he also saturated a piece of flannel with the Relief, and laid it over the chest. In a few seconds the coughing ceased, he could expectorate freely, and raised with perfect ease a great quantity of phlegm. The Relief instantly soothed the irritation of the throat, and removed the inflammation from the lungs, and gave the ease to them, produced a free and copious perspiration of the throat and chest; and in ten minutes he was entirely free from pain, and sunk into a sound and sweet sleep. In the morning he was free from hoarseness, pleasant sleep. In the morning he was free from hoarseness, pleasant cough, and has not been troubled since. Let every individual who is troubled with a cough, sore throat, influenza, or hoarseness, pursue the same plan, and we will warrant them a speedy cure.

LAMENESS.

If you have a stiff joint, a wrenched limb, a swelled leg, a bruise, or any thing short of a broken bone, Radway's Ready Relief will cure you. The lame have been restored to the free use of their limbs by a few applications of the Relief. The cripple, who has limped from feet to spot upon his crutch, has been relieved of his painful affections, and enabled to stand erect, as God designed that Man should stand, by a few times using the Relief.

THE RHEUMATIC.

Who has been bed-ridden for years, shut out from the busy world, and lingered with pain upon a couch of sickness, deprived of the society of friends, and of the pleasures of life, has been *raised from a lingering death* by the soothing healing, and pain-relieving influences of Radway's Ready Relief. In all cases of Rheumatism—even the worst cases—one trial of Radway's Ready Relief will prove its superiority over all other remedies in use.

BLEEDING AND BLIND PILES.

Are instantly eased, taking the Ready Relief internally—say a tea-spoonful of the Relief in a table-spoonful of Molasses, and make a Cream of the Relief, by adding to it Sweet Oil, and anoint the parts affected. If the sores are very bad, take a leaf of tobacco, dip it in warm water, then wet it with the Relief, and lay it on the sores, you will have immediate relief and a speedy cure.

AGE VERSUS YOUTH.

Radway's Ready Relief renews the vigor of youth in old age. The old man of seventy is invigorated by its strengthening and exhilarating effects; it arouses the vital energies to life—the heavy and languid motions of the functions of the body is quickened to a healthy action—and the bent and bowed and stooping old man becomes active and vigorous in old age, and his life prolonged to the full number of his days.

FOR ALL PAINS,

Whether internal or external, take Radway's Relief, or apply it externally, it will relieve pain and cure disease quicker than any remedy in use.

RHEUMATISM CURED IN TWO HOURS.

ELEGANT AND INVALUABLE
ARTICLES FOR THE TOILET.

BOGLE'S HYPERION FLUID,
FOR RESTORING PRESERVING, AND EMBELLISHING THE HAIR.

The following Certificate, from Dr. Winslow Lewis, one of the most eminent Physicians of Boston, will show the estimation in which it is held by the scientific and learned, being one only of many similar ones.

BOSTON, Feb. 15, 1847.

MR. WM. BOGLE.—Sir,—The preparation invented by you for the hair, has been extensively used in my family, and they give it the decided preference over all other compositions of the kind. It invigorates and beautifies the hair, and clears the skin of all impurities, without producing any ultimate deleterious effects, which are so frequently the result of many well-known patented compounds.

WINSLOW LEWIS.

It is an indispensable article for the Ladies, as it keeps the hair in place and curl, and the skin or parting of the hair free from dandruff and scurf. For children, it lays the foundation of a good head of hair.

BOGLE'S AMOLE,
A COMPOUND FOR SHAVING.

This delightful article is totally different and far superior to anything yet invented for shaving. The base of it is derived from the *Amole*, or "soap plant," of California, an article used by the natives of that country for washing; and thus the use of strong alkali, so hurtful to the skin, is avoided. Its vegetable and detergent properties have the purest and most nourishing effects on the skin, rendering it smooth and allays irritation, and leaves, after shaving, a healthy, thick, creamy lather, which soothes and dry on the face. It is a decided luxury to be shaved with this incomparable soap. It is done up in elegant style, calculated either for the dressing case of the "rough and ready" traveller, or the toilet of the most fastidious connoisseur.

BALDNESS CURED.

The following is from Sumner F. Barratt, Saratoga Street, East Boston:

EAST BOSTON, Feb. 8, 1847.

Mr. William Bogle,—Dear Sir: For several years past, my wife has been troubled with baldness on the Crown of the head, about six or seven inches in circumference. After repeated trials of other so-called remedies, and by the advice of friends, she was induced to use your Hyperion; it was, for the purpose of restoring her lost hair, and I am happy to say that its effect has been to cause the hair to grow all over the part affected. She has used only two bottles, and that very irregularly; but she used it oftener and more regular, I am convinced that the growth of the hair would have been accelerated. I am, Sir, yours respectfully, SUMNER F. BARRETT.

TO THE LADIES.

THE GENUINE BALM OF COLUMBIA FOR RESTORING THE HAIR.

"Long hair is a glory to woman," says Paul,
And all feel the truth of the pious quotation;
Preserve it then, ladies—your glory may fail,
Unless you protect it with this preparation.

If you wish a fine head of hair, free from dandruff and scurf, do not fail to procure the genuine Balm of Columbia. In cases of baldness, it will more than exceed your expectations. Many who have lost their hair for twenty years, have had it restored to its original perfection by the use of that balm. Age, state, or condition appears to be no obstacle whatever; it also causes the fluid to flow with which the delicate hair tubes is filled, by which means thousands (whose hair was gone as the Arabic eagle) have been blessed by their restored to its natural Asiatic locks by this invaluable remedy. In all cases of fever it will be found the most pleasant wash that can be used.—A few applications only are necessary to keep the hair from falling out. It strengthens the roots, it never fails to impart a rich glossy appearance, and as a perfume for the toilet it is unequalled. It holds three times as much as other miscalled hair restoratives, and is more effectual.

☞ CAUTION.—Never buy it unless you find the name of Comstock & Co. Proprietors, on the wrapper of each bott
