She was born in Deptford, England, but came to Canada thirty years ago with her husband and daughter. Of Quaker stock she was educated at Croydon Friends' School, having as a fellow pupil the afterwards famous statesman, John Bright. MR. SCHANTZ HAD 100 BIRDS AT BRANTFORD

AYR, Dec. 2.—Mr. Menno Shantz was a successful exhibitor at the Brantford Poultry Show. There was a great field of competitors, some 1,200 entries altogether. Mr. Shantz had about one hundred birds, water fowl, turkeys, chickens, etc. He took 37 firsts and 37 seconds besides many other prizes. Some of the special prizes which he captured were valuable, but Menno was dissatisfied with one particular prize. It was an old picture in an old wooden frame. The picture did not prove to be a Rembrandt and in consequence Menno announces his intention to abandon those prizes to their donors in the future. Guelph Fair will be the scene of his next exhibit.

ONTARIO CEMENT CO. HAD A PROSPEROUS YEAR

The annual meeting of the shareholders of the Ontario Portland Cement Co., Limited, was held in this city yesterday morning at 10.30 o'clock and was largely attended.

The Directors' report and auditor's statement to Oct. 31st, 1913, were presented at the meeting, and that the results were satisfactory seems to be the unanimous result of all present. The demand for Blue Lake cement has been enormous, the company being unable to fill all orders and many had to be turned away.

The old directors, Messrs E. L. Goold, W. S. Wisner, A. A. Bixel, A. E. Watts, K.C., and John S. Coulter, were re-elected, and a resolution passed thanking the directors for the careful and able manner in which they had conducted the affairs of the company during the past year.

At a subsequent meeting of the directors the following officers were elected: E. L. Goold, president; W. S. Wisner, vice-president; John A. Colter, managing director; S. H. J. Reid, secretary; A. A. Barrett, treasurer.

GIRLS! THICKEN AND BEAUTIFY YOUR HAIR

Bring back its glow, lustre, charm and get rid of dandruff.

To be possessed of a head of heavy, beautiful hair, soft, lustrous, fluffy, wavy and free from dandruff is merely a matter of using a little Danderine.

It is easy and inexpensive to have nice, soft hair and lots of it. Just get a 25 cent bottle of Knowlton's Danderine now all drug stores recommend it, apply a little as directed and within ten minutes there will be an appearance of abundance; freshness, fluffiness and an incomparable gloss and lustre, and try as you will you cannot find a trace of dandruff or falling hair, but your real surprise will be after about two weeks use, when you will see new hair—fine and downy at first—yes—but really new hair sprouting out all over your scalp—Danderine is, we believe, the only sure hair grower; destroyer of danduff and cure for itchy scalp and it never fails to stop falling hair at once.

If you want to prove how pretty and soft your hair really is moisten a cloth with a little Danderine and carefully draw it through your hair—taking one small strand at a time. Your hair will be soft, glossy and beautiful in just a few moments—a delightful surprise awaits everyone who tries this.
