

This is a standing announcement in the Londenbury Ireland, Sentinel. "Acknowledgments of contributions, notices of private entertainments and presentations of lists of wedding presents and all announcements of personal interest and of private advantage are charged for at advertisement rates." If Londenbury papers adopt a similar rule and receive as many paragraphs of the class referred to as they do now, they might then make some money.

From statistics it appears that more than \$230,000,000 worth of property in the United States was destroyed by fire in 1904, making the largest annual cash heap in the history of the country. While the Baltimore fire of last February was to be compared in magnitude only with the great Chicago fire in 1871, the record of 1904 without that conflagration, would have been the most disastrous of all recent years, save 1900, and would have nearly equaled that year.

War Cost

London, Jan. 13.—A news agency despatch from St. Petersburg says: "The Budget, which was issued to night, estimated the total expenditure for 1905, not inclusive of the cost of the war \$97,317, 128 and the cost of the war in 1904 at \$310,5 0,000.

Clarence Augustus of Walker-
ville.

When you want to get over weakness and sleeplessness without leaving work use Ferrozone. It is the one sure medicine that brings bracing health at once.

Try Ferrozone and notice how much better you will feel. Mrs. Clarence Augustus, of Windsor, writes:

"Since using Ferrozone I am like a new being. I am strong, have no more aches or weak spots."

"Ferrozone is indeed a grand tonic. It's the nourishment in ferrozone that makes you feel good. It puts life into the blood, energy into the nerves, makes you dance and snap with new found health; try Ferrozone \$2c. per box, or six boxes for \$2.50; at all dealers in medicine, or Polson & Co.
