

Wolfville's Prosperity

Wolfville can be prosperous only when folks in this community have set their hearts in that direction and have contributed the energy necessary to bring that condition about.

Wolfville will be prosperous in reality when every citizen has assumed his or her share of responsibility.

Community progress means good government, clean minds, the spirit of service, alleviation of poverty, absence of unemployment, increase of co-operation and avoidance of waste.

And this progress will not come from any single effort. Every one of us in Wolfville must constantly strive for the betterment of the community in every way possible.

Let us have the courage, energy, enterprise and patriotic service to make Wolfville an example and inspiration to other communities.

Let us make our town more than a mere plot of ground on which we live. Let us work toward what Wolfville should be. Then, with all working together, "the ideal community" will inevitably be the comment wherever the name of our town is mentioned.

The following Wolfville firms and individuals heartily subscribe to the above appeal to civic patriotism
