

RUSH OF TRAVEL AT CHRISTMAS SEASON

Heavy Travel Looked for by Canadian National Railways

Western People for the Old Country

The Christmas Season is the time of travel. "Home for Christmas" is a custom that has come down to us through the ages. In the old days it was the stage coach. Now it is the solid steel trains of our great Transcontinental Railways that annihilate distance and make a long journey a period of comfort and pleasure.

The Christmas rush to the old country is already over. A few days ago a special train of tourist cars and standard sleepers passed through Moncton en route to Halifax, filled with people from Western Canada, who sailed from Halifax for England. Nearly all were British born Canadians, some of whom were making their first trip to the old land since they left it. From Winnipeg this special carried them to Halifax over the lines of the Canadian National Railways—the "National Way from Ocean to Ocean." The train equipment was of the finest—the tourist cars being of most modern type and the standard sleepers the acme of comfort. They had made the journey in record time and all were delighted with the train service afforded them.

Christmas this year happening on Sunday, with Monday observed as a holiday, gives an opportunity of an extra day for a week-end trip, and this is being taken advantage of by many. A large flow of local travel is being looked for, and the Canadian National Railways are making every preparation to handle the expected rush.

Enquiries at ticket offices and consequent reservations also show that there is to be considerable travel between East and West, and from coast to coast. The through services of the Canadian National offer splendid opportunities for those who desire the quickest and most comfortable journey. From the Maritime Provinces the finest of train service is afforded to Montreal, where connection is made with the famous "Continental Limited" leaving Bonaventure Station at 9.00 p. m. daily, for Ottawa, North Bay, Cochrane, Winnipeg, Saskatoon, Edmonton and Vancouver.

At Montreal connections are made by the Grand Trunk train for Toronto, and at Toronto with the famous express "The National" for Parry Sound, Sudbury, Port Arthur, Fort William, Winnipeg, Saskatoon, Edmonton and Vancouver.

Connections at Quebec are made with the Transcontinental train which connects at Cochrane with the Continental Limited. All these through trains are the very finest in their appointments and assure the traveller of the most delightful journey.

What is therefore more fitting for Canadians than a trip through Canada—across Canada's National Highway, by the trains de luxe of the Canadian National Railways!

Celebrate Christmas with the AMBEROLA

If there is one day in the year when good music should be in every home—that day is Christmas! Joyous Yuletide carols—hymns—old songs that everyone loves—will make the day a real festival if you own an Edison Amberola!

The Amberola is a sensible and lasting purchase, and a beautiful and welcome gift. It is not a shrill and metallic "talking machine," but a mellow-toned instrument which plays vocal and instrumental music of all kinds with startling realism.

In addition to being the world's greatest phonograph value, the Amberola is remarkably cheap to operate. The permanent Diamond Point Reproduser does away with the bother and expense of changing needles, and the Amberol Records—low-priced to start with—are practically indestructible.

Have an Amberola in your home this Christmas—it will furnish years of entertainment to your family and yourself! And if you have some dear friend to whom you would like to present a really worth-while gift—

Give an AMBEROLA

Come in today and select an Amberola to be delivered for Christmas. Make it your gift to the family.
