Nute's Combined Spinner. PATENTED - - - 1-870.

THIS is one of the most useful Spinning Wheels invented. It is Quill Wheel, Clock Reel, Spinning Wheel, and Swifts, all combined. By means of a clamp, it can be attached to a table or stand, and be used in either a standing or sitting posture. It is quite an ornamental piece of furniture, but when not in use, if desired, can be folded up and laid away in a Bureau drawer: It spins faster and better than any of the old wheels now in use, and with one half the labor.

N. B.—Duly authorised Agents are now visiting all parts of the country with our spinners, from whom only the, can be obtained:
