DON'T STOP MY PAPER.

Don't stop my paper, printer;
Don't strike my name off yet;
You know the cash comes slowly,
And dollars hard to get;
But tug a little harder
Is what I mean to do,
And scrape the dimes together—
Enough for me and you.
I can't afford to drop it,
And I find it doesn't pay
To do without a paper,
However others may.
I hate to ask my neighbors
To give me theirs to loan;
They don't just say but mean it;
"Why don't you get your own?"

The Children's Demonstration in the Salvation Army Thursday night was well attended and a complete success. The proceeds were partly for self denial fund.

T. Nelson & Sons of Edinburgh, Scotland, are bidding for an opportunity to furnish school books for New Brunswick, as they did some years ago.

PROTECTION OF FORESTS.

Mr. W. T. Whitehead left Thursday evening for Ottawa in response to a telegram from Hon. Robert Meighen, Montreal, instructing him to go to Ottawa and to take with him what information he might have as secretary of the New Brunswick Land and Railway Company in connection with the protection of the forests of the province from fire during the construction of the Grand Trunk Pacific Railway.

THE SUNSHINE FURNACE.

An interesting series of ads. will shortly appear in this paper on behalf of the "Sunshine" Furnace, manufactured by McClary Mfg. Co., London, Canada. Newspaper advertising is a part of the McClary publicity programme and works hand in hand with an extensive follow-up system. The series of ads. were prepared by A. A. Briggs, Advertising Manager of the McClary Company, and placed by McConnell-Ferguson Advertising Agency, London.

There is no mistaking the superiority of a tea that in sixteen years has built up a market in almost every part of the North American continent, that has had the most enormous increases in sales, year after year, until over 15,000,000 packages was the immense output for 1907. This continental endorsement of "Salada" Tea proves conclusively their right in offering it to the public as the most delicious and healthful tea in the world.

Everyone interested in the protection of fish, forest and game are requested to meet in the Town Hall tomorrow (Thursday) evening, April 30th. Messrs. Evans and Clinch will be present and address the meeting on this important subject. Newcastle being the sporting centre of the North Shore there is little doubt but a good branch of the New Brunswick Fish, Forest and Game Protective Association can be organized here.

The Anderson factory is now running with a staff of about 40. Allan A. Davidson, liquidator of the business with on May 4th, apply to Judge Hamilton for an order to continue the business of the company and operate the factory for a further period of six months from May 1913. The company lack sufficient capital but are apparently perfectly solvent.

Mr. W. B. Snowball left Liverpool late on Good Friday afternoon, and dined in Halifax harbor Thursday afternoon. He reached home by the Montreal express that night, looking as though the trip abroad had done him good.—World.

TOWN COUNCIL.

It was Mr. Alex McKay, who lately removed here from South Esk, not Mr. A. H. Mackay, the dry goods merchant, who asked to be relieved of his poll tax for 1907. Our mistake in last week's issue was due to the similarity of the two names.

The ice ran out Saturday and Sunday, leaving the channel clear on Monday for row boats. The steamer came from Chatham yesterday.

At Buctouche, Saturday night, fire destroyed the M. McLaughlin Company's combined flour mill, butter factory and general store, also the company's sawmill, barns, etc. The loss was some \$30,000; insurance, \$12,500.

R. telegraphers left on the Maritime express Saturday for Ottawa, where they will interview the Minister of Railways for the third time in connection with the increase of salary. The telegraphers will push this application for increase of pay and shorter hours to a conclusion. The matter has been urged on the department for a year past, but up to the present no basis of agreement has been reached.

The frequency of reports of men shot in the back by burglars shows that there is far too much freedom in the use of weapons. Such affairs are not discussed when fresh in the public mind, because their nature brings them at once under court protection. The public need frequent admonitions regarding the use of revolvers in menacing criminals or suspected criminals.

NEW SUSPENSION BRIDGE

AT ST. JOHN. FREDERICTON, Saturday.—Chief Commissioner Morrissey, speaking of bridge work which would have to be undertaken before very long, said the Suspension Bridge at St. John would likely have to be replaced by a new structure within a couple of years. He added that as yet the department had no report of value on the question of the Suspension Bridge, as Engineer Hildebrand, of New York, who had been employed by the late government in connection with the matter, had died before putting in his report.

INCENDIARY FIRE AT WOLFVILLE

Astronomical Observatory of University Burned.

HALIFAX, Thursday.—The astronomical observatory of Acadia University, Wolfville, was burned to the ground last night between 10 and 11 o'clock. The fire was undoubtedly of incendiary origin as the telescope and other instruments were found piled in a heap to the windward of the building. The fire bell rang at 10 o'clock, and although the firemen were promptly on the scene they were unable to save the structure. The wind was blowing from the southwest, and at one time it was feared that the Ladies' Seminary would catch fire. ROOSEVELT, JR., UP IN AIR.

WASHINGTON, Thursday.—Theodore Roosevelt, Jr., with Capt. Fitzhugh Lee, the president's military aide, and Capt. Chandler of the signal corps, in charge of the experiments with army balloons made an ascension today from this city.
