Fiorence Vane strolled listlessly about among the early flowers in her pretty garden, twirling her little silk parasol in an absent sort of way, and looking as if everything had lost its brightness to her. She was very fair - the most inexorable mis-

beams kissed it; with the delicate tint of row night. Suspense never killed any figered his countenance gave way to a look the sea-shell to relieve the pearly clear- one yet, and a small dose of it will do him of doubt. ness of her complexion, and make the good. perfect lips so tempting; with a slender issom form, whose faultless outline was sheeny, silver-gray dress she wore. She could not well have been prettier,

but she might have been happier. and Miss Florence their only daughter. She was petted and loved by all who book. knew her, not for her beauty alone, but for her sweet disposition, her true nobleness of soul, and those approved teminine qualities that render maidenhood so irre! sistibly charming. But her whole youth was in danger of being crushed and blighted by that dark cloud looming on the

village near her father's home. She loved him with all the strength of her clinging affectionate nature, and in the haloyon days gone by he had given her more reasons than one to believe that the passion was mutual. But now-now the to wear on the following evening. dream was beginning to fade; the future |-

able. She could not help noting the progress of the flirtation; it was impossible not to see that her lover was being daily lured further and further away from her, and the horrible thoug..t that he was playing her false at last forced itself upon her

affair. She thought Doctor Castlemaine was attracted by the beauty and brilliance of the queenly brunette, and so gave himself up entirely to his new infatuation.

She was thinking of this to day as she voice of her cousin fell upon her ear. "All alone, Floy? Why, what a taste for solitude you seem to have acquired the girl's breast.

lately!" along the walk, attired in a black silk, dress, with velvet sleeves and trimming, the elegant train held gracefully in one kidded hand. There was grace in her every movement, even in the Tall and gloriously beautiful she came every movement—even in the way she vain for the rose among the jewels that held her parasol.

"I am not alone," said Florence calmly. " At least, I never feel as if I were alone when I am with my flowers." Veronica laughed.

"That is a very pretty company if you were allowed to have no nonsense. I've got a letter, and I want her attention to the entertainment of to show it to you." She drew it from her her guests. pocket as she spoke. "It is from Doctor Castlemaine; his office-boy brought it, May Dutton, came to her and said: just as I returned from the village."

he chose," observed Florence, quietly. "He explains why he decided to put effect wonderfully."

this one on paper," laughed the brunette. "But you shall read it, little coz, and see if you don't agree with me that your hand, take it away. I think I have ornaments some doctor is a precious fool.

"Oh, but I want you to," coaxed Veronica. "You can't sympathize with me way in everything, her will predominated be until you know something of the unplea- in this case. sant position in which I am placed. It is Florence did not deem it worth while so provoking! I am sure I never intended to make a determined resistance, so the And twould never do not to have a "big to flirt. Do read this, Floy, and tell me what to do."

I make a determined resistance, so the time over him. You want to fit up you tables, and at our store you can get all kind of GLASS WARE to do it with.

stand nothing more, and she put up her hand to push away the proffered note. when Veronica suddenly confronted her But Veronica, slipping her arm around with the exclamation: sheet before her eyes, read aloud the hastily written lines:

| And holding the open you doing with that glaring red rose in you to our store and select just what you want to give him a big time. He will "or want to give him a big time.

nothing to fear in putting my fate to the touch; but what am I to understand from your cold indifference and reserve on eertain occasions? I have scarcely had an ertain occasions? I have scarcely had an indifference and reserve on et al. (2014). opportunity to speak with you alone; you know how I am situated with your cousin; but this uncertainty has gown intolerable, and I must know whether "Can you ask? Why. Floy. where is "Can you ask? Why, Floy, where's your there is hope for me or not. If you can trust your future in my hands-if you can love me sufficiently to be my wife—pease let me know your mind by wearing a June rose in your hair at the party tomorrow night. That wil's how me that my fondest hopes are realized. If I do not see the flower in your hair, I will know that I have hoped in vain, and will never trouble you again.

"Enwann ("sexpression")"
"Can you ask? Why, Floy, where's your state? it looks so vulgar and tawdry; and red is not becoming to your golden hair. "Here, let me disengage it—""No; never mind!" and Florence shook her head with gentle firmness. "I know that I have hoped in vain, and will never trouble you again.

"Enwann ("sexpression")"
"An you ask? Why, Floy, where's your state? it looks so vulgar and tawdry; and "ed is not becoming to your golden hair. "Hor, in the party to morrow night. That will show me that my fondest hopes are realized. If I do not see the flower in your hair, I will know that I have hoped in vain, and will never trouble you again.

"EDWARD CASTLEMAINE." and make some jesting tennark, and the voice was so unlike her own that she did fathomed. voice was so unlike her own that she did

cousin saying: very fluently about my 'feminine perception,' but he never gave me the slightest reason to believe that he was in love! ments of solitude. Slip₁ing through one of the windows, she found herself entirely alone on the piazza, which was lighted by And he mentions you as if you had been rows of Chinese lanterns suspended from in the way, or was likely to be jealous, and the cornice. I am sure your manner is enough to convince any sane person that you positively her little white hands clasped so tightly dislike him. brunette. "Don't you know he will be keep from falling. She loved Doctor Edward Castlemaine, the young physician who came from the life my hand is not to be had for the are making a mistake. It was not to me city a year ago and set up an office in the mere asking? It is one of the secrets of you sent the note—" success, and you would do well to remember it, Floy.

at this point, and the conversation drifted your cousin, yesterday. Did you not see

The party was given by Florence's parents, in honor of their daughter's nine-Her cousin, Miss Veronica Vane, had teenth birthday, and no pains or expense come down from the city to pay her a visit. This visit, being originally intended were spared to make it a brilliant affair. Whole truth suddenly broke upon his Poor Florence tried to keep up a show of mind. "Did she say that? What could to last two weeks, had lengthened into interest in the preparations that were have possessed her? I neether yesterday to last two weeks, had lengthened into two months, and was likely to continue through a third. Miss Veronica meeting Doctor Castlemaine, had recognized an old acquaintance of school-day memory—an "old flame," as she confidentially informed her cousin—and from the hour of their first meeting she proceeded to monopolize his society. This left Florence much to herself, and as you may imagine to the properties of the properties of the properties in the preparations that were going forward, but the unusual pallor of her face was more than once commented upon, and she was at last obliged to confess that she was not feeling, as well as see could wish. However, she declared she would be herself again before she was called upon to receive her guests, and she reart almost suffocated her with its fierce throbs of joy.

"I did not see the envelope," she falter—a prophecy that her parents did not for a group of the properties of much to herself, and as you may imagine a prophecy that her parents did not for a ed. "The letter commenced 'Miss Vane' her thoughts were anything but agree- moment suspect that her seeming gaiety and you know that is as much Veronica's was assumed to hide a breaking heart.

The party was a grand success. Almost everybody in the neighborhood was been your answer had you known it was the city to pay their respects and con- the June rose? arrayed in a miracle of white lace and lips again and again

Veronica was the only culpable one in the affair. She thought Dootor Gastlemaine affair. She thought Dootor Gastlemaine and she seemed to be overflowing with strolled among the gorgeous flowers, and the furtive glances she frequently shot at next morning, without so much as saying the furtive glances she frequently shot at next morning, without so much as saying

When Doctor Edward Castlemain came in and bowed low before Florence, she adorned Veronica's hair, and was trying CABINET MAKER very hard to bear the shock bravely.

But she was filled with surprise a few minutes later to see him dancing with her cousin. He still looked pale and troubled, but Veronica was talking and "very romantic, and all that-but I am laughing as merrily as if she were innoafraid you would find flowers but dull cent of causing him the slightest pain. "How can she be so cruel? thought other. But I didn't hunt you up to talk Florence; and then resolutely-turned

In the course of the evening her friend

"Floy, dear, do you know how lovely "Doctor Castlemaine lives close enough you are this evening? But you haven't to be the bearer of his own messages, if quite color enough. Let me fasten this red rose in your hair-it will heighten the

"A June rose!" said Florence, fairly I called upon to elect sickening at the sight of it. "Please

enough." Florence retreated a step. She had no desire to read the letter, and said as much.

"No; you must let me put this among our store and see our varied and select your verbenas," insisted May Dutton, and

Florence felt as if her composure would She had forgotten all about it in two

the girl's waist, and holding the open "Floy, in the name of wonder what are The farmer's man, who is always a friend

"May Dutton put it there,' she replied to full you what your feminine perception has already discovered—that I love you! I felt satisfied at one time that I had nothing to fear in putting my fate to the post in the post in the satisfied at one time that I had nothing to fear in putting my fate to the post in the satisfied at one time that I had nothing to fear in putting my fate to the post in the satisfied at one time that I had nothing to fear in putting my fate to the satisfied at one time that I had nothing to fear in putting my fate to the satisfied at one time that I had nothing to fear in putting my fate to the satisfied at one time that I had nothing to fear in putting my fate to the satisfied at one time that I had nothing to fear in putting my fate to the satisfied at one time that I had nothing to fear in putting my fate to the satisfied at one time that I had nothing to fear in putting my fate to the satisfied at one time that I had nothing to fear in putting my fate to the satisfied at one time that I had nothing to fear in putting my fate to the satisfied at one time that I had nothing to fear in putting my fate to the satisfied at one time that I had nothing to fear in putting my fate to the satisfied at one time that I had nothing to fear in putting my fate to the satisfied at one time that I had nothing to fear in putting my fate to the satisfied at one time that I had nothing to fear in putting my fate to the satisfied at one time that I had nothing to fear in putting my fate to the satisfied at one time that I had nothing to fear in putting my fate to the satisfied at one time that I had nothing the satisfied at one time that I had nothing the satisfied at one time that I had nothing the satisfied at one time that I had nothing the satisfied at one time that I had nothing the satisfied at one time that I had nothing the satisfied at one time that I had nothing the satisfied at one time that I had nothing the satisfied at one time that I had nothing the satisfied at one time that I had nothing

"Why shall I take it out?" asked Flor:

"Can you ask? Why, Floy, where's your

am only a country girl, you know."

White and cold and still, Florence stood turned and walked away. She could not there like an image carved in marble bring herself to converse naturally with while the words of that note seemed to swim before her eyes in characters of fire.
