The Government seems to have complete-
ly triumphed at the recent elections.

The jubilee at Geneva closed last night
with a torchlight procession and grand ball.
The Emperor of Austria will make a tour
in Hungary in September and then proceed
to Dresden with the King of Saxony.

The people of Berlin are making extraor-
inary preparations for the meeting of the
Emperors of Austria and Russia with the
Emperor William, in the city on the 7th
September. A grand parade and state ban-
quet are already on the programme.

The weather in England is very unfavor-
able for the crops.

Mr. Johnstone, M. P., arrived at London-
derry yesterday. There was no demonstra-
tion on his landing. He goes immediately
to Belfast. Tranquility continues in the
latter city and the public houses have open-
ed again.

Stanley has written a letter to the "Daily
Telegraph," replying to the hostile criticisms
in the "Spectator" and "Saturday Re-
view."

Consols steady.

NEW YORK, 27.

Our Government is to join with others in
an appeal to the various governments of
South America to light and buoy the coast
along her western coast in a more liberal
manner.

It is reported that a train from New York
last evening ran over a carriage, and killed
Mr. Middleton and three others.

NEW YORK, 27, P. M.

Gold unchanged. Exchange steady.

Rev. James R. Bayley, Catholic Bishop,
has received from Pope Pius his appoint-
ment as Archbishop of Galway.

Fears no longer exist of yellow fever at
New York.

Stokes, the murderer of Fisk, is very ill.
He had a renewed attack of bronchial com-
plaint last night, and two physicians are in
attendance.

A BIG DIAMOND.—A Malay rajah is said
to possess a diamond larger than any in the
world, and more valuable even than any of
the four great gems of Europe. It is said to
be much larger than the Koh-i-noor, and to
weigh 365 carats.

MR. STANLEY AND THE GEOGRAPHICAL
SOCIETY.—Sir Henry Rawlinson has writ-
ten to Mr. Stanley, in the name of the Geo-
graphical Society, conveying the society's
acknowledgements of the timely succour af-
forded to Dr. Livingstone.

NOTICE.

**THE
EXHIBITION**

WILL BE HELD IN THE

VICTORIA RINK

On 9th September Next.

Contributors are respectfully requested to
deliver at the Rink, on or about 2nd September,
articles for Exhibition, with a list, stating par-
ticular features of interest in any of them,
and especially marking things illustrative of
the talent of the country.

Everything will be registered on delivery,
and then distinguished by the number and
name of the contributor; but, if desired, the
name may be suppressed.

Fancy and other work, (which may be de-
livered at the Rink up to the morning of 7th
September, tho' an earlier day would be pre-
ferred) will be valued by competent ladies,
marked in plain figures, and exhibited for
sale; but visitors will not be asked to make pur-
chases. If quite convenient, purchasers would
oblige by not removing important things until
after the closing day.

Several ladies and gentlemen have gener-
ously promised to devote the first week of
September to the work of arranging the arti-
cles in their respective departments; and
many others, it is hoped, will kindly volunteer
their help and judgment.

Anything which has any kind of merit or
interest will be gladly and thankfully received
or exhibited, and taken care of, glass cases
being provided for delicate and valuable arti-
cles.

Consuls would greatly oblige by sending
their national flags, and Merchants their
house-flags, to the Rink, on 2nd September,
by noon.

Mr. Murray will gladly afford enquirers in-
formation respecting his collection at any
time during the exhibition; and has very
kindly consented to repeat his public explana-
tions on the evenings of 14th and 12th Sep-
tember, at 8 o'clock.

Occasionally, when the Band is silent, pieces
will be played by kind friends on the Organ
or Piano.

The Exhibition will probably be kept open
for a few days longer than the period men-
tioned: before it is closed all School-children,
with their teachers, will be invited to attend
free of charge.

Programme of the opening-day to be pub-
lished after the return of His Excellency the
Governor.

Refreshments will be sold in the Rink.
Exhibition open from 10 a.m. to 10.30
p.m.
