## TERRITORIAL REVENUE GAINS

Hon. Mr. Grimmer in his report gives the following comparative statement of the territorial revenue of the past two years:

	1909	1910
Sales of timber licences	\$ 1,618.50	\$ 1,238.75
Sales of timber licences Blue Bell	1,190.00	
Renewal of timber licences	70,970.00	81,057.00
Stampage	246,742.77	330,390.28
Land Sales	3,376.00	4,188.70
Labor Fund	194.80	258.70
Installments		26.34
Deposits for survey	786.50	721.50
Orders of survey	211.00	145.00
Land leases	1,010.00	1,277.00
Mining leases and mining applications	6,737.44	9,210.24
Royalty	3,272.44	4,631.31
Fishing leases and licences	15,502.00	15,905.50
Game licences	33,166.11	11,910.19
Guides' certificates	152.00	130.00
Fines	1,065.02	733.91
Miscellaneous	53.50	38.50
Taxidermists, pelt and meat licences	333.00	381.00
Copies, records, plans, etc.	42.50	117.35
	\$395,283.58	\$494,191.61

In addition to the above receipts for the year 1910, there was received \$425 from instalments on lots in the Blue Bell tract, which was placed in the sinking fund as a payment on the cost of the purchase of the tract.

The number of grants issued by the department during the past year was less than in 1909. In 1909, 16,336 acres were granted to 178 persons in 1910 12,776 acres to 146 persons. Several tracts of land were surveyed for settlement in Madawaska, Victoria, Gloucester and Restigouche, all of which are being gradually settled. The game season produced \$8,000 more revenue than was realized last year.

The question of shortening the open season from 15th of September and to commence 1st October is receiving serious consideration. It is claimed that two months is long enough for sportsmen to enjoy the hunt, and is more in keeping with the Game Laws of neighboring states and provinces. It is certainly true that a great deal of game shot the latter part of September cannot be saved during a mild season and on these grounds alone a change of the time as stated might be desirable.

## RECIPROCITY

## DEBATE TO GO ON

Ottawa, March 8.—By a vote of 111 to 70, proclaimed amid prolonged Liberal cheering, the house of commons decided tonight that there should be no waiting on Washington.

By a majority of forty-one the proposal of the Conservative leader to postpone further consideration of the reciprocity trade agreement was negatived. The vote came at the close of a brisk debate in which the minister of finance declared that prompt and business-like consideration of the arrangement was "an obligation of national honor on the part of Canada with the government of the United States."

Alluding to the letter of Sir William Van Horne, which had been read by Mr. Borden, the minister of finance said: "If it is to be an alignment with Sir William Van Horne and various other estimable 'sirs' on the one side, and the toiling masses of the people on the other, there is no question as to which side the Liberal party will be found."

The inaugural meeting of the association took place in Toronto yesterday.
