There is more Catarrh in this section of the country than all other diseases put together, and for years it was supposed to be incurable. Doctors prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Catarrh is a local disease, greatly influenced by constitutional conditions, and therefore requiring constitutional treatment. Hall's Catarrh Medicine, manufactured by F. J. Cheney & Co., Toledo, Ohio, is a constitutional remedy, is taken internally and acts thru the Blood on the Mucous Surfaces of the System. One Hundred Dollars reward is offered for any case that Hall's Catarrh Medicine fails to cure. Send for circulars and testimonials.

A 15 YEARS' FIRE

Just think! That is the time through which Mr. H. C. Buckley endured all the fiery torture of Eczema, burning eczema. His life was a "hell" misery until Zam-Buk—the great herbal skin cure—brought complete relief.

Mr. Buckley, who lives at 461 East Broadway, Portland, Oregon, writes:—"For fifteen years I suffered with eczema, and although I tried many so-called 'eczema cures,' nothing seemed capable of dealing with a case like mine. It was not until I had Zam-Buk recommended to me that I began to have hope. This herbal skin healer soon brought about a change for the better. The itching sensation got less. I found Zam-Buk wonderfully soothing. Gradually the patches of soreness and the inflammation were reduced, and complete and permanent cure finally resulted. I would strongly advise all afflicted with eczema to give Zam-Buk a trial. It will give them satisfaction. They will not be disappointed."

No skin disease can resist the potent healing forces stored up in Zam-Buk, which is unequalled for eczema, ulcers, abscesses, bad legs, scalds, sores, blood-poisoning, rashes, scalds, burns, cuts and all skin injuries. All druggists and stores, or Zam-Buk Co., Toronto. 50c. box.

Winnipeg Man Has Gained 35 Pounds

All His Troubles Were Overcome by Taking Tanlac—Feels Fine, Now.

I don't believe there has been a man in the world who has been helped by Tanlac more than I have, and if it was possible I would go out and tell everybody personally what this medicine has done for me," said E. J. Coleman, a well known painter and decorator who lives at 195 Michigan Ave., Winnipeg, Man.

"After an attack of double pneumonia about a year ago," he continued. "I got out of bed almost a wreck, was so weak I could hardly stand up, couldn't walk by myself and now since I have taken Tanlac I have gained thirty-five pounds and feel so well and strong that it seems more like a dream than anything else for such a remarkable change to come over a man."

"My stomach was in an awful condition and I suffered so with indigestion that I ate hardly enough to keep alive. My nerves were completely shattered, and just to show you how nervous I was—a friend walked up behind me one day and slapped me on the back and I almost collapsed and he had to catch me to keep me from falling. It was out of the question for me to sleep at night, and sometimes my nerves would be on edge so bad that I was even afraid to be alone in the dark and I couldn't stay in a room by myself. My kidneys were out of order and nearly all the time I had a pain across the small of my back and I lost so much weight that I actually looked like a frame."

"One day my folks brought me a bottle of TANLAC, but I didn't want to take it because I had taken so many medicines that had done me no good that I was discouraged and didn't care whether I ever took any more medicine or not. But they insisted, so that I finally consented to take it, and to my complete surprise I commenced feeling better, right away, and by the time I had finished that first bottle I had improved so much that I was able to go down town myself and get my second bottle. Now I am on my fourth bottle and I never felt better in my life and can do as hard a day's work as any man. My nerves are steady and I can stand any kind of noise. I eat anything I want, digest it perfectly and don't feel a trace of indigestion or gas, and the pain across my back has completely disappeared. My kidneys are in fine condition and I sleep all night long as sound as a child and get up in the mornings feeling just fine. If any man had told me that Tanlac would do me just what it has done for me, I would have laughed at him. As long as I live I will never be able to praise Tanlac enough for the wonderful good it has done me."

TANLAC is sold in Newcastle by E. J. Morris and in Red Bank by Wm. M. Sullivan.

WIND AND RAIN STORM

A terrific wind and rain storm visited this section last Wednesday and was one of the worst experienced in this vicinity for years. A heavy rain prevailed all day and a fifty mile gale blew at night. Considerable damage throughout the country is reported, and the wires of the N. B. Telephone Co. Ltd were more or less put out of commission.

CORRECTION

We have been given to understand that the Nelson report in last week's Advocate concerning Mr. and Mrs. Haasen Patterson is untrue. The correspondent will hear further from us in the matter, and can govern himself accordingly.

AMUSING INCIDENT

A rather amusing incident occurred last week when a consignment of 2 suit cases of boot-leggers' which key was being brought to town on the Maritime Express. An inspector happened to be on board the train and noticing the two suit cases became suspicious of them and after giving them a kick with his foot satisfied himself as to their contents. He at once decided to catch the owner, but the owner must also have recognized the inspector as he kept away from the cases, but never allowed his eyes to be taken off them. When the train arrived at Newcastle, another man, well known to the inspector came on board, while the first man stepped off. The inspector then took his handcuffs from his pocket and handcuffed the two cases together and moved away to another part of the car. It was not long until the second man who boarded the train went over to the suitcases and finding them handcuffed made up his mind he had better leave them alone, and made a hasty retreat from the train at the next stop. Needless to say, the inspector took charge of the suit cases and on inspection they contained a good quantity of Boot-Leggers' Liquor.

BUY AT HOME
The buying of goods from out of town stores will prove a serious menace to your community. Your merchants feel it keenly and stagnation is bound to come to your town if the people persist in buying anywhere but at home. The effects of so doing are already apparent in some towns of this Province. The danger is a real one. Are you practical enough in your patriotism to see that your duty is to "Buy At Home?"

OATS STOLEN
Last Wednesday night, the warehouse of The Maritime Produce Co. was broken into and about 75 bushels of oats stolen therefrom. Stealing is becoming quite an art with some of our people, notwithstanding the fact that several young men have been sentenced recently to terms in the county goal.

On Friday, the Police Officers ascertained a clue from the shape of the hoof of the horse which was used to convey the oats away, and on following it up were successful in locating 23 bags of oats which had been carefully concealed under the floor of a Blacksmith Shop in Nelson. The owner of the Blacksmith shop was arrested and is now out on bail awaiting trial.
