s of Law.

g Washington did nos quail be-s father's accusing glance. He him straight in the eye,' and an ion of honest resolution gleaned clear eyes and frank counten-

'My father,' he said, 'I will not the-cave you. I do know something about it, but that is not the issue at all. You have, in effect, charged me with being privy to the destruction of your favorite tree. Now the question is, since you have filed information and laid this charge argingt in a mark the e against me, what do you know about it ?

I know that you have a hatchet,' re-ed his father sternly. I know what a y with a hatchet is liable to do. I Th with a matchet is flaole to do. A owthat some ene has cut down my crite cherry tree—' Stop right there,' interrupted the fut-e father of his country. 'You say this vorite che

'I do,'

'How came it yours ? 'I planted it.'

'I planted it.' 'Now, sir, are you certain it was not on the farm before you came here?' 'No, sir, it was not.' 'Then why did you say so?' 'Why did I say what?' 'That's right; evade, quibble, crawl out of it, somehow. All right. If you don't wan't to answer a fair, plain, simple meetion, you don't have to.' 'But I didn't say it was on the farm when I came here.' Java carvas; fringe the edge all around; then arrange as gracefully as possible the daisies, which you can buy all ready for applying. The stems and little bits of vines for filling are worked in Kensington vines for filling are worked in Kensington stitch; yellow and white daisies may both be used.

when I came here." 'Oh, very well deny it. Is there any other retraction you would like to

'I don't retract anything. I merely declare that I never said that tree was on the farm when I came here.' long enongh.

'Oh, weil father, don't get excited and talk loud. You may go back on your entire statement if you wish. Perhaps you will next try to make us believe that this farm wasn't here either when you came !

'Why, of course it was here. I "Didn't you say a moment ago that it

wasn't ? 'That was the tree.

'Ah, yes ; you turn it off on the tree ow. You've been talking about the now. tree all this time, then ?'

"Why, centain'y I have." "Then you just admitted that it was

"No, my son; that was the farm." "No, my son; that was the farm." "But not half a dozen questions ago you admitted that. You said in these

very words, 'Why, of course it was here,' did you not?' 'I said those words, but I was speak-Put these into a baking dish with little

"I said those words, but I was speak-ing of the farm." "And yet you said but this very mo-talking about the tree. It is useless to of all human wices, lying is the common-est, and I doubt not it is the worst. It blunts our moralsensibilities; it leads us to distort and exaggerate simple statements of fact; it blurs our powers of intelligent observation, until even a man of ordinary scholarship and intellectual development is unable to tell whether he is talking about a farm or a cherry tree. The complaint is dismissed. I doubt wery much if you can even establish the fac: that you ever owned the tree. Go to the nursery, and if you intend planting a tree in the place of the one you imagine yon have lost, you had bet-ter take a man with you to show you the ground leat you might plant the tree in serve.

rather less than a quair or main and it in a state, and with the addition of this rind of any lemon, cut in one piece, and a small direct of cinnaman. Let the rice simmer gently until it has absorbed all the mile. Turn it out into a bowl, and when old remove the lemon rind and elemanon. Then att is the solar of four aggs and one when any heaten up, add a small quantize of annotation of into small quantize of annotation of into small quantize of annotation of the solar of the solar

Bananas may be stewed and canned, They make in this form an excellent flavoring for apple pies. Mustard as a reliable is rendered still more piquant if mixed with horseradian vinegar, with a pinch of cayanne popper. The operation of stoning mining mains may be hastened greatly if a glass of water stands conveniently near, so that you can dip your fingers into it at intervals. A asuce that is good for almost all kinds of boiled puddings is made by beating one quartier of a pound of butter and the same quantity of sugar together till they are like cream. Then mix a wine-glass of brandy, rum, or wine with them. Brass crescents that have been used

Brass crescents that have been used for decorative purposes and have become tarnished may be made to do further service by covering them with embroid-ery silk. It is a trifling matter to do this with the help of a crochet needle. The prettiest way to arrange curtains in a doorway is to have two instead of

MINCE PIES WITHOUT MEAT.—Three pounds of apples, three pounds of rai-sins, three pounds of currents, one and a half pound of sust; one and half pound of sugar, and a little mixed spice, each to be well chopped, and then mixed to-gether with a little chopped candied peel, a few pounded almonds, and half a pint of cider boiled with sugar, or liquid currant jelly. one, and to tie these back with ribbons or with handsome bands which are manucurrant jelly. PUMPERN PIE.-Cut the pumpkin in factured expressly for the purpose. The curtains should be tied back quit high, and not in the old style. A pretty tidy is made of blue all-woo

PUMPERN PIE.—Cut the pumpkin in half, put it in a dripping-pan, skin side up (after seeds are removed), in a slow oven; bake until all the good can be easily scraped from the rind with's spoon; if it is as brown as nicely baked bread, all the better, mash finely, and to one quart add one quarter pound of butter while hot; when cool sweeten to taste; one pint of milk or cream (if cream be used three eggs are sufficient; if milk, four eggs will be better), beat them separately, stir in yolks, two tea-spoonsful of ginger, one of nutmeg, add the whites of the eggs, stirring but little after they are added to the mixture; bake in a quick oven. A construction of FIG PUDDING.—Takeghalt a pound of

FIG PUDDING.—Takeshalt a pound of the best figs, wash them and chop them fine, two teacupfuls of grated bread (crusts for one may be used), half a cup

handsful of rice, and put it to cook in rather less than a quart of milk, sweet-ened to tasto, and with the addition of

of sweet cream, one cup of sweet milk, half a cup of sugar; mix the bread crumbs with the cream, then stir in the figs, then the sugar, and the last thing get in the milk; pour into a mold of pudding dish, and steam for three hours.

## Loss and Gain.

#### CHAPTER I. "I was taken sick a year ago With bilious fever."

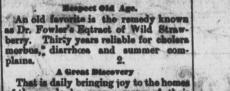

'My doctor pronounced me cured, but I got sick again, with terrible pains in my back and sides, and I got so bad I Could not move !

I shrunk !

From 228 lbs. to 120 ! I had been doctoring for my liver, but it did me no doctoring for my liver, but it did me no good. I did not expect to live more than three months. I began to use Hop Bit-ters. Directly my appetite returned, my pains left me, my entire system seemed renewed as if by magic, and after using several bottles I am not only as sound as a sovereign, but weigh more than I did before. To Hop Bitters I owe my life.' R. FITZPATRICK. R. FITZPATRICK.

Dublin, June 6, 1881. How TO GET SICK .- Expose yourself day and night ; eat too much without ex-ercise ; work too hard without rest ; doctor all the time; take all the vile nos

trums advertised, and then you will want to know how to get well, which is answer-ed in three words—Take Hop Bitters.

A Great Biscovery That is daily bringing joy to the homes of thousands by saving many of their dear ones from an early grave. Truly is Dr. King's new Discovery for Consump-tion, Coughs, Colds, Asthma, Bronchitis, Hay Fever, Loss of Voice, Tickling in the Throat. Pain in Bide and Chairt, or-any disease o the Throat and Lange, a positive sume Guaranteed. Trial Bot lies free st J. Wilson's Drug Store. Large tics free at J. Wilson's Drug Store. Large aize \$1.00. (6)

WASHINGTON, D.C., May 15th, 1880. GENTLEMEN-Having been a suffere

GENTLEMEN—Having been a sufferer for a long time from nervous prostration and general debility, I was advised to try Hop Bitters. I have taken one bot-tle, and I have been rapidly getting bet-ter ever since, and I think it the best medicine I ever used. I am now gaining strength and appetite, which was all gone, and I was in despair until I tried your Bitters. I am now well, able to go about and do my own work. Before taking it I was completely prostrated. MRS. MARY STUART.

Thousands Say So. T. W. Aitkins, Girard, Kan., writes :

I never hesitate to recommend your Electric Bitters to my costomers, they give entire satisfaction and are rapid sellers.' Electric Bitters are the purest

sellers.' Electric Bitters are the purest and best medicine known and will posi-tively cure Kidney and Liver complaints Purify the blood and regulate the bowels No family can afford to be without them They will save hundreds of dollars in doctor's bills every year. told at 50 cts. a bottle oy J. Wilson. [3]

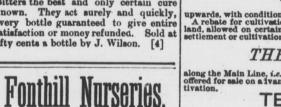

Well Rewarded. A liberal reward will be paid to any party who will produce a case of Liver, Kidney or Stomach complaint that Elecric Bitters will not speedily cure. Bring them along, it will cost you nothing for the medicine if it fails to cure, and you will be well rewarded for your trouble besides. All Blood diseases, Biliousness, Jaundice, Constipation, and gene ral debility are quickly cured. Satisfac

tion guaranteed or money retunded Price only fifty cents per bottle. For sale by J. Wilson. [5] CINGALESE. - A name well known in connection with the Hair Renewer, which restores grey hair to its natural color by a few weeks use. Sold at 50 cents per bottle by James Wilson. 2m

These are Solid Facts. The best blood purifier and system re-gulator ever placed within the reach<sup>9</sup> of suffering humanity, truly is Electric Bit-ters.
