Inland Game Report.

We are in receipt of the First Annual Report of the Game and Inland Fisheries. The principle on which the board has acted is expounded thus:-

"Having appointed as Supervisors men whom we hope to find efficient and interested, it is incumbent upon us to help them all in our power by the appointment of good wardens. This we believe to be the bulwark and mainstay of the whole situation, and on the selection of these rests the weal or woe of the Board work for the benefit of rivers. Much has been said at meetings and in the streets as to the 'advantage' of putting strangers as wardens at the different rivers, rather than residents of the locality, and we have not heard a dissenting voice; and we believe on this very point depends the success or failure of the efforts of the Board; and it is to be hoped that the time and thought spent in perfecting the Laws and Regulations as regards Salmon will not be lost through any inactivity, or lack of effort in carrying out this recognized essential."

Financially the Board has not been fortunate. The income from Caribou Licenses fell short of the estimate by \$2000 and the Rod Tax fell short of what was expected by \$1,190. The expenditure of the Board for the year was \$10,545. 41. To meet this expenditure, there was available \$5,910.00 from the Caribou License and Rod Tax, and a nest egg to the extent of \$1,801.86, the balance of a fund known as "The Game License Fund," which will not be available again. The expenditure of this sum left a deficit of \$2,833.55. The reports set forth that "This deficit has been met by a special appropriation of \$3,000 to the credit of the Board, made by Executive authority."

Sackville Graduates.

Among the graduates at Sackville University on May the 30th were: Rev. Earnest Bains who spent some time in Caribou. Miss Ethel J. Bond of Halifax, Miss Maria Buffett of Grand Bank and Rev. William Grimes of Little Bay Island, who all were awarded the degree of B.A. The list of Prize winners included, \$12 to R.C. Tait, the Predham Essay Prize; \$20 Class Essay Prize, given by R. A. Borden, to Miss Flora M. Curtis, daughter of Rev. Dr. Curtis of the city. She is a graduate in oratory and her name appears in the honor list. Miss M. Hudson of Lower Island Cove takes a prize in History Class, and Rev. W. Grimes is honoured with a "Life Membership in the Theological Union." He is a nephew of Supt. Grimes of the Terra Nova Constabulary, this city. The venerable President, David Allison, presided over the university convocation, for the last term on May 30th. During his term of office he has capped and gowned 493 students.

At Cochrane St. Church

At Cochrane Street Methodist Church the pastor, Rev. F. R. Matthews was "at home" to his own congregation, preaching two able and up-to-date sermons. The pastor was assisted by the Superintendent of the Sunday School, President Epworth League, President of the C.A.A. and the Senior Class Leader. The choir rendered an anthem, "Oh for a closer walk with God," Miss Vincent was the soloist.

"There's a Reason"

Season's Most Popular Books

GERTRUDE PAGE'S GREAT NOVEL.

WINDING PATHS.—In it the author has made special studies of three women characters, with the same vivid and entertaining skill which has so graphically described the wild, fresh life of the Rhodesia Veldt.

THE KING OVER THE WATER.—J. H. MCCARTHY. A story that is full of stirring episodes; is also essentially a love story, the hero, a gallant Irish soldier, and heroine a wandering Princess.

MRS. THOMPSON.—W. B. MAXWELL. This is a purely realistic novel, in which the author traces step by step the life of a woman of strong character, temperament and emotions.

SOME HAPPENINGS OF GLEN-DALYNE.—D. CONYERS. The novel contains the fascinating mystery of a lost heir, who is found by the heroine, and her love story gives the book an additional interest.

MOLL O' THE TOLL BARD.—T. WILSON WILSON. A stirring tale of romance and ad-

venture in Cumberland during the rough starvation days of the Napoleonic Wars, when law and order in country districts was as the people made it.

ALL THE WORLD WANDERED.—L. MERRICK. For those whose interest in theatrical life goes deeper than its "make up" the value of his new book is not limited to the fact that it tells a bright and highly unconventional tale.

BURNING DAYLIGHT.—J. LONDON. Mr. London's work is always excellent, the characters one and all, have the breath of life. No reader who loves a good story will be disappointed.

JANE OGLANDER.—MRS. B. LOUNGES. This is a story of exceptional power and exceptional charm. It deals in rich emotional material with a fine, artistic restraint.

THE VOW.—PAUL TRENT. Is the thrilling story of a man who made a rash vow as "Jephthah" and kept it, although it meant his exposure as a financier.
