WHAT A. C. HAYES SAYS ABOUT DR. KINSMAN'S HEART TABLETS & DYSPEPSIA POWDERS, ETC.

"I suffered for six or eight years with my heart, and many times it was so I could not lie down at all, and the only way to I could get rest was to lie on my left side for three or four years, and when I was able to walk at all, would have to stop many times and hold my hand against my heart, and wait until it would start to beat again, as it seemed to stop, and I felt as if I would suffocate every minute. Since taking your Heart Tablets and Dyspepsia Powders I have never felt any of the symptoms, and can rest as well on my left side as my right. I am sure they saved my life, as I could not have stood it much longer. I thank God that I was able to hear of your Tablets and Powders, and hope that every sufferer will have an opportunity to use them, as they are worth their weight in gold. My friends ask how I cured myself, for I am now a new man."

HEART TABLETS \$1.00 per box
DYSPEPSIA POWDERS 50c. per box
ASTHMA REMEDY \$1.00 per tin

What is Your Verdict!

Is it not safe to assume that the Ford Motor Company of Canada, Limited, who manufacture in their own huge perfectly equipped plant practically every part of the Ford car, are the people best qualified to make replacement parts at the lowest price compatible with the high quality which must be maintained?

Manufacturers of spurious parts, operating as they do on a small scale with limited capital and inadequate equipment, cannot possibly make parts of the same quality or accuracy at anywhere near the low price you have to pay for Genuine Ford Parts. Yet you are asked to believe that these spurious parts not only equal Genuine Ford Parts in quality but can be produced to sell for less!

We rest our case here. The verdict we leave to you.

LIKE CHAMPAGNE.

Champagne loses its properties if allowed to stand after being poured. In the same way tea tastes best if taken immediately upon being poured from the pot.

Let Blue Bird infuse for around five minutes in a warmed earthen pot, using water that has just come to its first boil, drink it as soon as poured, and you have the best tea made the best way.
