Rev. Fr. Kennedy the Colony, indentifying him- Protective Union to lead an preached on the history of the Society self with the Liberal party of Amalgamated party against from its formation seven hundred that day, entering the House of the Government of Sir Edward Assembly in 1882 as Member Morris. The United Liberal—F. of the Holy Hour in honor of the for Fortune Bay. By 1889 he P.U. candidates were in a min- Blessed Sacrament and in earnest and had become the trusted lieuten- ority at the declaration of the fervent appeals that made us all the ant of the late Sir William Val- polls, and, following some dis- more intimately realize the practical lance Whiteway, the "Grand agreeable revelations touching meaning of the Blessed Eucharist to Old Man" of Newfoundland poli- the outlined policy of the leader tics. A peculiar and unique of the Fishermen's Protective follows:situation had previously arisen Union, Sir Robert resigned abin the politics of the Colony solutely from seat and leaderwhereby Mr. Bond found himself ship, thus severing a long and in a minority of one in the distinguished connection with! local Assembly, where by sheer the administration of the affairs force of intellect and power of of Newfoundland. Since 1914, i speech, he compelled the Gov- many overtures have been made F. Anderson. ernment of the day to pass the to the one time Liberal Chief-Ballot Act and Manhood Suf- tain to reconsider his attitude frage Bill, so that when the gen- and to re-enter public life. To the members on the splendid showing able to supply you with a good variety eral election occurred in 1889 all of these he has given the of the reports, and on the food con- of Moirs Chocolates and other candies the result was a great victory same answer, and his final de- dition of the Society. He said that Drop in and get your supply for tofor the Liberal Party. From cision as published over his own for the Liberal Party. From cision as published over his own thence a great forward move-signature in yesterday's Tele-munion was a source of edification away with the necessity of using the ment resulted. The Country gram shows that the Cincin- and example to the congregation. He old-fashioned mustard plasters; and was opened up by the construc- natus of Terra Nova prefers to felt sure that the meral influence of its application is much easier tion of a railway north and west, by which the mineral and agricultural resources of the return to the hurly burly of poliisland were developed, and the tical life. And so then, all of us munity. people who had long been trammelled by the truck and barter his birth take a farewell of him system of trade, discovered the real value of spending their own money, and thus was ushered in him no more, and his decision held, the formal opening of which a new era of prosperity. In will be received with regret by the year 1893 the general elec- his friends, though hailed with tions of thanks to Rt. Rev. McDermott, Rev. Director and other priests for the year 1893 the general election again gave the Liberal delight by his opponents, and
their interest in the Society. The
Chief and his lieutenant a mathose who feared to meet his
great success of the Society is due in jority of twenty-four seats to presence in the arena of politics, no small measure to the untiring seal twelve in the House of Assem. We offer to-day our most sincere of our Spiritual Director, Rev. Dr. bly. The year following (1894) congratulations to the "Incorshowed a crop of election pro- ruptible Commoner," Newtests by the defeated party, and foundland's best statesman, and many Whiteway followers were wish for him a life fraught with unseated and disqualified by the joy and felicity, the downward judgment of the Supreme Court, journey of which may have its But, notwithstanding, Liberal path strewn with the flowers of sentiments prevailed and those remembrance, whose fragrance by which their ash boxes have been

the Liberal party retained pow-shrunken. Ave Atque Vale.

er. In December, 1894, under the Premiership of the late Hon. without effort,—feb22,tr

D. J. Greene, came the grea financial crisis when the Union and Commercial Banks failed and closed their doors, and many the cataclysm. The result, as hose who will remember, know. was widespread and disastrous. The whole country seemed on the precipice of despair when obert Bond stepped into the reach, and went to Canada, from thence to United States and subsequently to England for the express burpose of raising a loan for the Colony in order to Evening Telegram loan for the Colony in order to retrieve its fortunes. But not, however, till Mr. Bond pledged his personal fortune, and all his resources, was he successful. By his patriotic and unselfish

action he secured the loan sought, and the Colony once ved the proceeds of which amounted wretch for an evening. Povy calling, more weathered the financial tions of the ladies in theree. tempest. Patriotism could go no farther than this, and Robert lows:-Bond to-day is loved, respected C. J. Fox and honored by his countrymen. Mrs. J. Angel His services in national life Mrs. W. H.
