Y. M. C. A. Convention.

The Young Men's Christian Association Local Convention was held at Fergus last Thursday, and it is to be regretted that Mr. Morse was the only delegate present of those that were appointed by the late Convention held in Guelph, circumstances preventing the others from attending.

AFTERNOON SESSION.

The afternoon session commenced at half-past two. Mr. Peter Rennie, President of the Fergus Y. M. C. A., in the chair. After the opening services were over, the Associations represented were called on to render an account of affairs.

Mr. Morse gave a vivid sketch of his experience, and that of different Associations in literary work, giving an account of the only manner by which literary work can be successfully carried on.

Harrison Correspondence. The bridge on Elora-street has been taken down, and the work on the new one is being pushed.

The work of laying the iron on the T. G. & B. Railroad, between here and Mount Forest, has commenced. We are promised the road in October; should the elements prove favorable it is most likely the promise will be fulfilled.

The fall wheat in this section is all sown, and is got in in good order. Summer fallows were all in good trim, so that if fall wheat isn't good next year the fault can't be with the farmers.

Concert and Solree. Last Thursday evening the annual soiree on behalf of the Sabbath School of the Killan section took place at the school house.

Great Value. - Knowledge's Boy's Annual, an entertaining miscellany of original literature, 54 full paged illustrations, 12 full paged colored illustrations, 772 pages, bound in red and gold, the usual price \$1.50, now offered at Day's Book-store for 75c.

Have removed their Boot and Shoe Store to the very extensive premises on the

Corner of Wyndham-st. and St. George's Square.

Their old store being too small on account of the continual increase in the Wholesale Manufacturing, as well as in the Retail Departments, they have now fitted up the new and much larger place in first-class style, and would intimate to their very numerous customers and the public generally that, having increased the facilities for manufacturing they are now able to offer to the public first-rate goods in all branches, at lower prices than ever before.
