BUNNIE BUNSTINE BID FAREWELL TO THE BRONKS WITH A TIMELY PINCH HIT, TURNING DEFEAT INTO VICTORY

Final Game of Old Western Canada League Was Won by the Bronks With a Brilliant Ninth Inning Batting Rally; Bunstine the Big Shine in the Game

NEVER did a ball player leave a league under more auspicious circumstances than did Bunnie Bunstine. With a wire in his pocket telling him that his one year old baby was seriously sick and urging him to come on the first train, Bunnie walked up to the plate last night as a pinch hitter when the score was 3 to 2 against Calgary and two out and leaned against the official Reach spheroid for two bases, sending in his boss, Julie Strieb, ahead of him with the run which tied the score. This timely pinch hit turned what looked like an almost certain defeat into a victory for Larry Pierce came up next and lifted a Texas leaguer over second base which allowed Bunnie to come home with the winning run of the game.

The game last night was the kind of home folks like to win, and the kind which the opposition hates to lose. It was the Bronks' game, practically all the way. Up to the ninth inning the visitors had accumulated three runs by a simple process of addition, setting a tally in each of three successive innings. In the meantime the Bronks had the smallest unit hanging up on the score board, and with the tag end of the batting order coming up in the ninth, things didn't look too rosy for the Bronks. The faithful Bronks who had seen many games won in the ninth pulled hard when they saw the determined look on the face of Bunnie, who was first up. The new recruit caught a straight one on the nose and was as far as second before the ball was back in the diamond. Vivien followed with a single, which scored his predecessor and made things look a little more interesting. But Reach was thrown out at second when Julie Strieb was safe at first on a fielder's choice. Dudley threw wild to first to catch Julie, and the Bronks were sent to second. The fans were encouraged when they saw Pete Strindridge ready to bat for Willie, but Pete popped up a puny foul which White nabbed. With two down Bunnie Bunstine was sent in as a pinch hitter to save the contest. And Bunnie did save it, as narrated above.

TARDINESS OF THE PLAYERS SPOILED FOOTBALL CONTEST

But Ten Men Turned Out on Each Side in Game Between Thistles and City

City and Thistle had only out ten men each in their game at Hillhurst Park last evening, and had the game started at the scheduled time they would not have had that number. As it was, the start was made quarters of an hour behind time, and in the last ten minutes the ball could scarcely be seen. The game was a hard one, but with little good football, and the City ran out winners by three goals to two.

MAYBE WE HAVE A LEAGUE AND MAYBE WE HAVEN'T

The effect of the meeting of the Red Deer baseball club held last night, upon the ultimate formation of the Western Canada league is problematical. At the meeting held here in Calgary yesterday, it was understood that the Red Deer club was agreeable to the dropping from the league and steps were taken accordingly. The Bassano team was also dropped. Chesty Cox at once got busy and arranged for the sale of some of the players. President Dewar was in Calgary last night and word was conveyed to him of the change in the complexion of baseball matter only ten minutes before the time the train left for Edmonton. He announced that he would stop off at Red Deer together with Secretary MacPherson and has called a meeting of the league to be held in that place today. A statement as to the result of today's meeting would be nothing more than a mere guess.

Executive of Club Meets in Red Deer and Raises Funds to Complete Season

Executive Were Not Told of the Meeting of the League Held in Calgary Yesterday

Bill Hurley Will Handle Team for Remainder of Season; Meeting to be Held Today

RED DEER, July 30.—The executive of the Red Deer baseball club met last night and arranged for the financing of the team in the Western Canada league for the remainder of the season. Bill Hurley has been appointed playing manager and the team will play out the remaining games of the schedule.

The Red Deer executive were not notified of the meeting of the league held in Calgary yesterday and were not pleased with the manner in which Bill Chandler, who has been handling the team, announced that the team would have to drop from the league. It appears that the local backers of the club were not consulted.

Word has been sent to President Dewar and the other members of the executive to this effect and a meeting will in all probability be held in Red Deer today to determine upon the future plans.

The agreement signed at the beginning of the season was a three sided affair. In the first place Red Deer guaranteed to put up \$2,500 to support a team for the season. The league guaranteed to supply baseball for the season, while Chandler agreed to take over the franchise and manage the team. It is a well known fact here that Chandler has lost considerable money on the enterprise and he is not blamed for dropping the proposition but the citizens of Red Deer cannot afford to have the name of the town suffer because of this and are prepared to dig down into their pockets for the necessary money to complete the season.

Y. M. C. A. TEAM TONIGHT

The following are requested to turn out for the Y. M. C. A. football team tonight (Wednesday evening) in the West Park at 7 p.m. against the Church of the Redeemer football club. League fixture:
Goal: W. Neal, J. Smith and M. Jeffrey; P. Willis, T. Avery and E. Smith; J. Roughton, D. Smith, H. Ashcroft, J. Clark, W. Marr, Reserves—J. Macberley, G. Carter, S. Nichol.

EXECUTIVE MEETING OF WESTERN CANADA BASEBALL DROP RED DEER AND BASSANO FROM LEAGUE

Hy. Chandler Reported He Was Unable to Further Finance the Team and Would Have to Quit; Bassano Dropped in Order to Even Up

AT the special meeting of the Western Canada league executive held here yesterday morning, Red Deer and Bassano were dropped from the organization and it was decided to finish the season with Calgary and Edmonton playing home and home games. The two remaining clubs will grab onto the best players on each of the team which were dropped from the league, which will supply the two Alberta metropolises with the best baseball in their history.

The Red Deer club were forced to drop from the league for financial reasons, the club being unable to keep up the expenses of a professional ball team because of the poor attendance and the many postponed games necessitated by the unusually rainy season. It was then decided to drop the Bassano club in order to make the league be composed of an even number of teams.

A tentative schedule was drawn up at the meeting yesterday but Secretary Horner of the Edmonton baseball club and President Savage of the local club, will work out a schedule for the remainder of the season today. In all probability the teams will alternate week and week in Calgary and Edmonton.

It was also decided to add all the games won in the second series to those won in the first series and take the total as the final standing of the teams for the first series. Under this arrangement the Calgary team will be declared the victor in the first series, the games standing:

	Won	Lost	Pct.
Calgary.....	36	26	.581
Bassano.....	34	28	.548
Red Deer.....	35	33	.515
Edmonton.....	24	42	.364

MORE WORLD'S RECORDS

"Ross" Rifle and "Ross" Ammunition clean up everything in sight in the match rifle competitions at Bisley

In the Hopton Grand Aggregate which represents the total scores of the six big Bisley Match Shoots, at ranges of 900, 1,000 and 1,100 yards the "Ross" Rifle and "Ross" Ammunition took the first six places. Top score, 792 out of 825.

In the King's-Norton Match at 1,200 yards, a World's Record was made with Ross Rifle and Ross Ammunition. Score: 73 out of 75.

This year's triumph at Bisley, confirming previous years' results, classes the "Ross" Match Rifle as the champion of all long-range rifles in the British Empire—and probably, therefore, in the world.

Sportsmen who seek an accurate and high power arm will be glad to know that the Ross 280 High Velocity Rifle has the same barrel and breech as the military match rifle which only differs from it in the sights and style of stock. Its low trajectory and reliability have made the Ross a favorite in India with big game hunters.
