There was an amendment to supply  
moved by Mr. M. C. Cameron, of Huron.  
It referred to the Tax Canal. In 1882 Sir

mated at \$132,000. Parliament voted the  
\$50,000. Next year Sir Charles got Par-  
liament to continue the construction of  
the canal, the cost of which then had  
jumped up to \$240,000. In 1887 Sir  
Charles asked for \$55,000 more to com-  
plete the canal. This was not done.  
In 1890 Sir Charles asked for \$11,000  
more to complete the canal. This was  
not done. In 1891 Sir Charles asked for

—Chinese Steamers Sunk.

LONDON, Aug. 12.—Admiral from Yokohama  
gives further particulars of the sinking  
of the steamer Tamayo Maru and the  
drowning of 263 passengers. The Tamayo  
Maru and another steamer, the Myoshi  
Maru, were racing, when the latter struck  
across the Tamayo's course and the vessels  
collided. The Tamayo Maru sank immedi-  
ately, and only about 60 people who were  
on the deck were rescued.

Advices from Hong Kong up to July 15  
state that the fire of discontent is still  
smoldering in North China and occasional  
riots are reported. The missionaries near  
Canton are said to have been attacked,  
but no particulars have been received.  
Two of the Wuchow rioters on trial  
voluntarily confessed that they murdered  
two foreigners during the riots. They were  
executed. Comparative quiet seems  
to have been restored in Yany See Valley.  
At Fuchu riotous wreckers went to the  
priests' residence and smashed everything,  
but did not burn the building.  
Soldiers patrol the streets at night, guard-  
ing Roman institutions.

A telegram from Tientsin states that the  
French and British Ministers in China have  
opened negotiations with the Tzuangli  
Yamen in regard to the late riot in  
Canton on account of the recent riots.  
The sum claimed is 6,500,000 taels.

DROWNED IN RICE LAKE.

Sad Fate of Mr. and Mrs. John Hawkins  
and Miss Florence Mayhew.

DOWNVILLE, Aug. 13.—People here  
were thrown into great excitement yester-  
day on receipt of the intelligence that Mrs.  
Hawkins (nee Maggie Stephens), youngest  
daughter of Mr. and Mrs. Jonathan  
Stephens; Mr. John M. Hawkins, her hus-  
band, and Miss Florence Mayhew, only  
daughter of Mr. Benjamin Mayhew, of  
Mount Hope township, were drowned in  
Rice Lake. There was a large party  
camping at Lee's Point. Five of  
them, Mr. Henry Bean, Mr. John M.  
Hawkins and Mrs. Hawkins, Miss Nellie  
Stephens and Tuttle Hawkins, left early  
this morning for Rice Lake. Mr. Bean  
was the driver of the party. The boat  
was a small one, and was crowded.  
The boat was capsized, and all three  
were drowned. The bodies were recovered  
yesterday.

THE SPEAKER WITHDRAWS.  
Before putting the main motion the  
Speaker announced that he had been  
informed that the total cost of the  
canal had reached \$440,013, or \$200,013  
more than Sir Charles Tupper solemnly  
swore Parliament would be the total cost.  
(Hear, hear.)

THE INTERCOLONIAL RAILWAY.  
Mr. Weiden advocated that a change be  
made in the management of the Inter-  
colonial Railway. He argued strongly that  
the road be put under commission, citing  
the management of other railways in Aus-  
tralia as evidence of the success of such a  
change. Sir John Thompson said the state-  
ment was a figure of speech. Weiden was  
worthy of consideration, and said the Gov-  
ernment would investigate the system sug-  
gested. Mr. Mills and others spoke, and  
the House adjourned at 1:45 a.m.
