Lesson Drawn From Isaiah's Vision text: The scraphe must not always stand still. He must move, and it must be without clumsiness. There must be celerity and beauty in the movement. "With twain he did fly." Correction, exhibaration. Correction at our slow gait, for we only crawl in the service when we ought to fly at the divine bidding. Exhilaration in the fact that the soul has wings as the seraphs have wings. What is a wing? An instrument of locomotion. They may not be like seraphs' wings, they may not be like bird's but the soul has wings. God says so. "He shall mount up on wings, as eagles." We are made in the divine image, and God has wings. The Bible says so. "Healing in his wings." the shadow of his wings. "Under whose wings hast thou com ust." The soul with folded wing wounded wing, broken wing, Caged within bars of one day to be free. I hear the rustle in Seagrave's poem, which we sometimes sing:

> I hear the rustle of pinions in Alexander Pope's stanza, where he says:

You have seen how the dull, slugterily; the dull and the stupid and the ethargic turned into the alert and the beautiful. Well, my friends, in this world we are in the chrysalid state. Death will unfurl the wings. Oh, if we could only realize what a grand thing it will be to get rid of this old clod of the body and mount the heavens, neither seagull nor lark nor aling from highest range of Andes so buoyant or so majestic of stroke. O, people of God, let us stop playing the fool and prepare for rapturous flight. When your soul stands on the verge of this life and there are precipices beneath, and sapphired domes above, which way will you fly? Will you swoop or will you soar? Will you fly downward or will you fly up Everything on the wing this day bidding us aspire. Holy Spirit on the wing. Angel of the New Covenant on the wing. Time on the wing, flying away from us. Eternity on the wing, flying toward us. Wings, wings, wings! Live so near to Christ that when you are dead, people standing by your lifeless body will not soliloquize, saying: "What a disappointment life was paid him. to him; how averse he was to depart- M. O'St ure; what a pity it was he had to die; what an awful calamity." standing there, may they see a sign more vivid on your still face than the vestiges of pain, something that will indicate that it was a happy exit-the clearance from oppressive quarantine, the cast-off chrysalid, the moulting of the faded and the useless and the ascent from malarial valleys to bright, shining mountain tops, and be led to say, as they stand there contemplating your humility and your reverence and your happiness in death: With twain he covered the feet, with

twain he covered the face, with twain

he did fly." Wings, wings, wings!

So Say Thousands Concerning Dr. Williams' Pink Pills.

"Alm I under arrest, too?" asked the into self-abnegation before the all- following particulars of her illness and colonel in tranquil tones.

"No, sir; but we've got to watch the house."

"What have you got there?"

"What have you got there?"

"What have you got there?"

"With twain he covered the feet."

"With twain he covered the feet."

"With twain he covered the feet." The policeman, by the dim light in the passage, displayed his find in silence. In silence also the colonel looked, and immediately withdrew into revealed to him. It flashed more has seemed as thin as weak, may be a seemed as thin as weak, and the coverage as the seemed to be go and the s ed, and immediately withdrew into the room. The sengeant left the house, and met Clifford on the little path leading to the gate; he jerked his head back in the direction of the house.

"Sorry for the old gentleman!" said he in a low voice. "It's about broke him up, has this. He's moping there, and Garfield and the grave of Lincoln and swollen, and I was told that I had droppy has the continually drowsy, and yet could not get sound, refreshing sleep.

My appetite was poor, and I had no chipping of monuments for a memory to, in the fact that military guard must stand at the grave of Lincoln and swollen, and I was told that I had droppy hut really L cannot say he in a low voice. "It's about broke him up, has this. He's moping there, all by himself."

"I'll go and sit with him, if he'll have me," said Clifford, who was remorseful, knowing that he had had susplcions of the father, and not of the daughter.

"Do, sir." said the sergeant, who wanted a watch kept on Miss Bostal's father, and was quite willing that it should be a friendly one.

To be Continued.

"It's about broke him up, has this. He's moping there, and that grave of Lincoln and Swollen, and I was told that I had dropsy, but really I cannot say must be cut down for firewood, though to they did me no good, and I almost felt like giving up in despair. One of my friends urged me to try Dr. Williams' Pink Pills and I was told that I have me," said the said at the grave of Lincoln and Swollen, and I was told that I had dropsy, but really I cannot say if this was the case. I tried several medicines, but they did me no good, and I almost felt like giving up in despair. One of my friends urged me to try Dr. Williams' Pink Pills and I began using them in the early spring. It did not take very long to see that the old woman," and finds nothing impressive in the ruins of Baalbec or the columns of Klarmac, and sees no after taking a couple of boxes I felt difference in the Sabbath from other A Point to Remember.

If you wish to purify your blood you should take a medicine which cures blood diseases. The record of cures by Hood's Sarsaparilla proves that this is the best medicine for the blood ever produced. Hood's Sarsaparilla cures the most stubborn cases, and it is the medicine for you to take if your blood is impure.

HOOD'S PILLS are the best after-dinner pill; assist digestion, cure headache. 25 cents.

difference in the Sabbath from other days except it allows more dissipation, and reads the Bible in what is called higher criticism, making it not the Word of God but a good book with some fine things in it. Arreverence never so much abroad. How many take the mame of God in vain, how many take the mame of God in vain, how words of praise for Dr. Williams' Pink pills, and I strongly recommend them to all who may be suffering." Mr. Wood indorsed what his wife said, and added that Pink Pills would hereafter over the face, no taking off of shoes on holy ground. You can tell from the vorl of the disease, driving it from the position of an unfortunate invalid to a strong and healthy, and all who may be suffering." Mr. Wood indorsed what his wife said, and added that Pink Pills would hereafter be the family medicine.

Dr. Williams' Pink Pills strike at the root of the disease, driving it from the world, they could have difference in the Sabbath from other both better in health and spirits than days except it allows more dissipation. I had done for some months. From Mrs. Q. Riosity—Do you know those infliction. Ebenezer and Florence, next that the God of the Pible shocks every that the God of the Pible shocks every to health and strength. In cases of propriety. They talk of the paralysis, spinal troubles, locomotor paraly

sense of propriety. They talk of the love of God in a way that shows you they believe lit does not make any difference how bad a man is here, he will come in at the shining gatte. They are also a specific for the troubles shows you they think it is a general jall delivery for all the abandoned and the scoundrelly of the universe. No punishment hereafter for any wrong done there.

LIFE SAVED.—Mr. James Bryson Cameron writes: "I was confined to my bed with inflammation of the the red necktile who had been regarded with suspicion ever since he entered the halt.

The great lung healer is found in the caller in soothes and diminishes the sensibility of the membrane of the throat and air passages, and is a sovereign remedy for all coughs, colds, hoarseness, pain, or soreness of the chest, bronchitis, etc. It has cured many when supposed to be far advanced in conjumption.

The great lung healer is found in the one, and to escape the other we have only to throw ourselves, body, mind and soul into Christ's keeping.

Reverence for sham, reverence for the lungs, and was given up by physicians. A neighbor advised me to try Dr. Thomas' Eclectric Oil, sating that his wife had used it for a throat trouble with the best results. Acting on this advice, I procured the medicine, and less than half a bottle cured mere reverence for the Bible, more reverence for the lippant about of the Bible of the Bible of the sacraments. The procured the medicine, and less than half a bottle cured mere reverence for the pure, more reverence for the Bible of the Bible of the sacraments and the constant of the sacraments are reverence for the Bible of the Bible of the sacraments are reverence to the pure and the constant of the sacraments are reverence for the Bible of the sacraments are reverence to the pure and the constant of the sacraments are reverence for the pure are reverence for the sacraments. The procured the medicine and the lungs, and was given up by physicians. Balance on hand, \$182 65, less \$27 83 arried to the credit of sinking fund Collector Compbell submitted his re-port, showing that the balance on hand taxes collected during the month, amounted to \$162 63. He had paid out \$170 80-over \$8 more than had been M. O'Sullivan, secretary-treasurer the London separate school board, no tified the council that the taxes due

been paid. These taxes, according t the statute, are due on Dec. 14, and not paid after a reasonable lapse of time, the board will take legal mean to recover the amount. Councilor Hamilton thought the only thing to do was to pay as soon as pos If the fund will not allow it now, it

will be paid as soon as the treasury had been reimbursed. The report of the finance committee commendations made by the auditors at the last meeting of the council.

Councilor Duff said one suggestio committee-that regarding the fixing up of the treasurer's book. Personally, he did not feel justified in taking any responsibility in the matter, by paying an expert \$25 per week to do it. A motion was made by Deputy Reeve Collins that the clerk be instructed to procure copies of the bylaws, under and the amount of taxes paid to the Thomas Roder appealed against payment of dog tax. He did not own a dog, and the amount was struck off.

CANADA'S MINES.

Latest Gossip From the British Co.

lumbia Region. Seattle, March 3 .- The Seattle group on Kettle River, Boundary Creek, is making a fine showing of ore in the tunnels that are now being driven or its 300-foot ledge. This ledge is trac-ed through four claims, which give it a length of 6,000 feet, and it is credited with average assays across the full width of \$8 gold, 15 per cent copper, and 5 ounces silver. The Smuggler Company, of Fair-view, has ordered a ten-stamp mill. During the first two weeks of last month \$340,000 worth of ore and copmatte was entered for export to United States at Nelson, on the Columbia River. Most of it was from the mines and smelters of Southern Kootenay. During the same period several large shipments were made by way of Revelstoke. At the Le Roi mine there has been no cessation of work, and the output

still averages 150 tons a day. Since the mine was opened 93,650 tons of ore The smelters at Trail and Nelson running to their full capacity, while large consignments of ore are being made daily to smelters in the United States. A new and promising district has

been opened up at Powell Lake, where a ledge fully 100 feet wide has been discovered that gives average assays
