WOMEN A BUNDLE OF NERVES

"Everything irritates me—I am a bundle of nerves, I ache all over and cannot sleep and am so despondent." This extract from a letter written from one woman to another describes the condition of many women who suffer from nervous ailments. Nothing will relieve this distressing condition so surely as Lydia E. Pinkham's Vegetable Compound, made from roots and herbs. For fifty years it has been restoring sick and ailing women of the Dominion of Canada to health and strength.—Advt.

Modern Pavements Make Feet Tired

The miles and miles of hard surface roadways and side-walks are very wonderful, but, being hard, non-resilient, and excellent conductors of heat and cold, they torture our poor feet unmercifully.

It has been found that if tired, sore feet are bathed in warm water containing a few drops of Absorbine Jr. they will be delightfully cooled and refreshed.

But this is not the only use for Absorbine Jr. It is a liniment, antiseptic, and germicide in one—the handiest, most useful article in the family medicine cabinet.

Not only does it kill germs and prevent infection in open cuts and sores, hastening the healing—not only does it limber up to new freshness, tired, stiff muscles, but as a mouth wash, throat spray or gargle it protects you against wandering disease germs and leaves behind a pleasant, clean taste and odor. \$1.25 a bottle at your druggist's.
