ST. LOUIS EXPOSITION.

Toronto, Oct. 31.—Private reports from St. Louis show that Canadians did remarkably well with their 1,000 entries in the World's Fair. No other country, nor any State in the Union, had so large an entry. In Hamburgs, Polands and ornamental bantams, Wm. McNeil, R. Oke, of London, and H. B. Donovan and George Bogue, of Strathroy, won nearly everything. Jas. Dundas, of Toronto, showed the best pullet in Buff Leghorns; Cornwall, of Thamesville, showed the best cockerel: J. H. Minshall, of Brantford, won two did to the state of the outcome of a cable from England and the verdict in a case where the husband stands charged with having attempted to defraud the Windsor Hotel out of \$109. They came from England out of \$109. They came from England and the verdict in a case where the husband stands charged with having attempted to defraud the Windsor Hotel out of \$109. They came from England out of \$109. T ST. LOUIS EXPOSITION. J. H. Minshall, of Brantford, won two firsts in Black Minorcas, and James Arthur, tof London, two firsts in Silver Wyandottes, selling his pen for \$140. Geo. Colwell, of Paris, and Mr. T. Grown, of Tilsonburg, were among other Canadian winners, their exhibits share of the prizes.

CONTRACT FOR AIR-BEAKES. Hamilton, Ont., Oct. 31.-A contract of special importance to Hamilton has just been closed between the Grand Trunk Pacific and the Canadian Westinghouse Airbrake Company of this city. The agreement between the Do-minion Government and the Grand Trunk Pacific requires an expenditure Mich., for their little book on the cause and cure of Piles, which is sent free for the asking.

Mich., for their little book on the cause and cure of Piles, which is sent free for the asking.

fulfil the contract, it will require 50 per cent. of the entire output of the air brake department of the Westinguse Company for the next four rears The Westinghouse works are being nlarged to twice the old capacity and together with the big contract, give employment to a small army of

LADY DEER HUNTERS. Toronto, Oct. 31 .- Among the multiade of deer hunters, who started for the northern woods to-day, was Mrs. Burke, a Toronto woman, who left to et her husband at Lindsay, whence gether they will take to the tall timers. She has never shot big game before, but has often been partridge and duck shooting. Another represen tative of the fair sex who is off to the woods is Mrs. R. Patrick, of Galt, who

has accompanied her husband on pre

vious occasions.

JOHN MORLEY AT TOKONTO. Toronto, Oct. 31.-Right Honorable John Morley was the guest of the Ca-nadian club to-day, at what was undoubtedly the most largely attended luncheon they have ever held. The visitor was accorded a hearty and si cere welcome, and spoke his views learly and without reserve, winning the approval of his hearers. President Howell had Mr. Morley on his right, Mr. Morley, introduced by the president, said:—"Mr. chairman and gentlemen, I thank you very warmly for the extraordinary welcome that you have now extended to me. After all, you are only repeating the kindness that has been extended to me since I set my foot in Canada by all sorts of persons of all degrees of importance and makes me regret the more that my visit is, as the chairman indicates, a short visit. But though even it is a short visit, I think even already perceive the advantage which even that visit has been to me. It brought names and scenes that before were only words, in to their place

as being realities.' ANOTHER GUSHER. Petrolea, Ont., Oct. 31.-Messrs. Dunan, Dunfield and Wilkinson this afteroon struck the biggest oil gusher yet in Moore township. The tremendous flow of oil and gas is not yet under control, and the quantity flowing per day cannot yet be estimated. It comes out with terrific force to the height of forty feet. This practically opens up a new oil field, six miles from Pe-

THE LATE C. SHIELDS. Sauit Ste. Marie, Ont., Oct. 31.-The funeral services over the late Cornelius Shields took place this afternoon. The cortege drove from the family home on Queen street east, at 10.30 to the Sacred Heart Church, where service Guthrie found she had not any great-er power to heal sickness than before. were attended by a large number of residents of the "Soos," including the employes of the Lake Superior Corporation, all work being suspended. The body is lying in state at the church today, and this evening will be removed Wis., to be interred be o Lacrosse. side Mr. Shields' father.

MR. ROSS TAKEN TO TASK

For Neglecting the Interests of the Working Classes-What is Desired.

(Special to the Free Press). Toronto, Oct. 31.-The executive of the Trades and Labor Congress of Canada have arranged to meet Premier Ross and Hon. J. R. Stratton tomorrow morning at 11 o'clock for the purpose of bringing before the Government a number of matters in which the Government promised assistance, and has not yet made a move. Among the matters to be discussed is the labelling of prison-made goods, which are brought into competition with the wage-earners of Ontario. These consist largely of binder twine and wooden goods. Others matters are the failities of the factories to be better ooked after, and action taken by the lovernment at once to prevent the uilding of cars with side-steps, which a menace to the life of the public a constant danger to the conduc- Doctors prescribe Catarrhozone beof street cars.
