A One-Cent Morning Newspaper. OFFICE: 11 MELINDA STREET, TORONTO.

ADVERTISING RATES. For each square of ten lines, one insertion, one cent.

SATURDAY MORNING, JAN. 7, 1887.

The World has the largest circulation of any morning paper in Canada.

A Year of Excitement. The year 1888 opens as a year of uncertainty.

First, there is the dread of war in Europe, which affects not only that continent, but the world.

Coming nearer home, we are confronted with two pending events, which have their importance on this side of the Atlantic.

While that event depends there will be a good deal of uncertainty, not only in affairs political, but in affairs commercial as well.

Practical questions have come up and must be answered ere this year closes.
