are state of Ireland is improving. The accounts received of the result of the carrying into effect the general order for the dismissal of a fifth part of the laborers in the public works show that destitution has been greatly exaggerated, and in some districts scenes of works show that destitution has been greatly exaggerated, and in some districts scenes of turbulence have occurred, although generally ly the poor people have submitted with exampler patience. In some districts the order had not been enforced. The new relief measures will soon be in operation in several of the counties where the Government are rescived will soon be in operation. In the city of Dublin, the preliminary arrangements have all been of the current year. At the conclusion the preliminary arrangements have all been of the current year. At the conclusion of the creenony in the Council Chamber, the completed and rates will soon be declared for relieving the destitute.—Livippool Chronicle.

ST. ANDREWS & QUEBEC RAILWAY.

In the New York Albion of the 17th inst., is published a letter from Capt. J. Robinson, giving a brief account of the state and prospects of the above enterprise; and some excellent remarks on the same subject by the Editor of the Albion, which we have exceed into this days paper. We are much pleased with the manner' in which Dt. Barrlett treats this important project.

We quite agree with the Dr. that "any nation, or people, who do not adopt the railroad system, must be considered behind the age";—a reproach which we trust will soon be inapplicable to the

which we trust will soon be inapplicable to the letter was received too late for insertion in Persons bringing grain to this establish British American provinces. The people of this this days paper.

THE WEATHER continues cold. Since but last we have had snow and rain alternately with high winds. The season is backward when compared with the corresponding pe riod last year. Many of our Farmers had nearly all their grain sowed by the 27th of this month, and a large quantity of potatoes planted. Spring plowing has not yet been commenced. The price of seed potatoes has risen to 4s, and hay commands £5 a ton, and

G. F/STICKNEY. CHARLOTTE COUNTY GRAMMAR SCHOOL.

THE Directors of the Charlotte County Grammar School inform the Public, that Tution in the above Institution is now given at the following Classics, and Mathematics, £1. 0 0 per Quarier E. Grammar, Geography &c. 0 15 0 "
Reading, Writing, and 0 10 0."

Arithmetic,

Arithmetic,

The Directors trust the above low rates at Tuition will meet with general approbation. They also confidently recommend to public attention the efficient state of the School; the Principal having, from personal examination of the best schools in England, been enabled to introduce many improvements in the art of teaching; and having engaged at his own expense a competent Assistant, in order that there might be every facility in carrying out a thorough and complete system of education.

These efforts to increase the utility of the Institution, it is hoped, will be met by a corresponding degree of patronage on the part of the Public.
