DR WISTAR'S BALSAM OF WILD CHERRY
What time establishes and consecrates, what experience adopt and confirms, what all men in places unter in saying is good and valuable, is so, no doubt. A goularity of this sort fixes in society its roots so deep and so strong, that time cannot destroy it. The success which has attended this medicine for several years past, has overcome the prejudices of all respectable men, and the article has taken a stand among the first class of discoveries and olessings of the age; and when restored to in season, cradicates the disease for which it is recommended.
