Round Hill Siftings.

The largest yield of vegetation we ever saw taken off a piece of ground was harvested by Mr. Abner Neily. It was what is known as "Ensilage or Cow-Corn," and grew to the height of twelve feet. The land planted contained less than one-half acre, and he informed us that by careful estimation he harvested between twelve and fifteen tons of fodder. The yield was truly enormous.

William A. Lehr of Kendallville, Ind., says Hood's

King of Medicines Almost a Miracle "C. I. Hood & Co., Lowell, Mass.
"Gentlemen: When I was 14 years of age I was confined to my bed for several months by an attack of rheumatism, and when I had partially recovered I did not have the use of my legs, so that I had to go on crutches. About a year later, **Scrofula**, in the form of

White Swellings, appeared on various parts of my body, and for eleven years I was an invalid, being confined to my bed six years. In that time ten or eleven of these sores appeared and broke, causing me great pain and suffering. Several times pieces of bone worked out of the sores. Physicians did not help me and ! Became Discouraged

"I went to Chicago to visit a sister, as it was thought a change of air and scene might was thought a change of air and scene might do me good. But I was confined to my bed most of the time. I was so impressed with the success of Hood's Sarsaparilla in ases similar to mine that I decided to try I. So a bottle was bought, and to my great failing the success of the success of the success of the success of Hood's Sarsaparilla in the sort of Hood to the success of the success of Hood to Hood

Up and Out of Doors To make a long story short, I continued to take Hood's Sarsaparilla for a year, when I had become so fully released from the chains of disease that I took a position with the Filmt & Walling Mfg. Co., and since that time have not lost a single day on account of sickness. I always feel well, am in good apprits and have a good appetite, I endorse

Hood's Sarsaparilla for it has been a great blessing to me, and to my friends my recovery seems almost mirac-nlous. I think Hood's Sarsaparilla is the king of all medicines." WILLIAM A. LEM, No. 9 North Railroad st., Kendallville, Ind.
