

The Wise Tourist Engages a Guide

WHY?

Because he knows that a good guide will enable him to see and know the most interesting points in the shortest time, and know them better than if he were to go on a tour of investigation by himself.

The Wise Prospective Settler Should Also Engage a Guide

WHY?

Because when he is looking for a spot where he wishes to make a home he naturally wants to be reasonably sure that he has selected the most satisfactory place. And how can he do this unless he has made himself familiar with the special features of the various sections of the district he has in view? Ask us to send you The Vernon News FREE FOR ONE MONTH, and we are satisfied that if it is the Okanagan District you are thinking about, The Vernon News will be your guide.
