FAVOURS OBTAINED THROUGH THE INTERCESSION OF ST. ANNE.

My brother brought back from a pilgrimage to St. Anne de Beaupré an increase of faith, and soon after died a most happy death, for which he is indebted to the good Saint. *T. B. D. Flemingsburg, Ky.*—On the very day of his first Communion, a little boy was thrown out of a carriage. His skull was fractured in two places, and during five or six weeks, his mind was wandering. He was recommended to Saint Anne and was completely cured. *Frampton.*
