THANKSGIVINGS

FOR FAVORS OBTAINED THROUGH PRAYER TO THE
MOST PRECIOUS BLOOD.

An eminent Ecclesiastical Dignitary asks us to insert the two following cures in our Review.

A woman had a child, three or four years of age, that had never walked. She came to recommend it to his prayers, promising to make a Novena, which he proposed in honor of the Precious Blood, to obtain for her child the favour so long and vainly implored. During the first days of the Novena, the child began to walk, and is, to-day, as capable of walking as are other children of her age.
