THE TRIUMPHANT THREE.—"During years' suffering with dyspepsia I tried almost every known remedy, but kept getting worse until I tried B. B. B. I had only used it only three days when I felt better, three bottles completely cured me." W. Nichols, of Keedall, Ont.

Catarrh is Not a Blood Disease. No matter what parts it may finally affect, catarrh always starts in the head, and belongs to the head. There is no mystery about the origin of this direful disease. It begins in a neglected cold. One of the kind that is "sure to be better in a few days." Thousands of victims know how it is by sad experience. Ely's Cream Balm cures colds in the head and catarrh in all its stages. Not a snuff nor a liquid.

WIFE (to second husband): Ah, James, you are so different from my first husband! Husband: Yes, that's so, when you come down to the fine point. He died four years ago, and I didn't.

HEIRESS: I am afraid it is not for me that you come here so often, but for my money. Ardent Waver: You are cruel to say so. How can I get your money without getting you?

JAMES PYLE'S PEARLINE has indeed become an article of established value in domestic economy, and now is the time for every family to test it, for house-cleaning as well as for laundry purposes. A more useful article for housekeepers is not to be found, and they who neglect a trial of it deprive themselves of a great convenience. Sold by grocers generally, but see that counterfeits are not urged upon you.

JONES (who has been interrupted in telling a long story by Smith's sudden departure): By the way, old man, I have quite forgotten what I was telling you the other day. Smith (gratefully): Thanks.
