

The Most Extensive Pure Bred Live Stock Establishment in the World.

new importations constantly arriving.

Superior Individuality  
Keen Intelligence and  
Choice Breeding

osdale Horses, Percheron-Norman Horses, English Draft Horses, Otting-Bred Roadsters, Imported Coach Horses, Cleveland Bays and Shotland Ponies, Holstein and von Cattle.

Further evidence is needed of the usual fact that the HUNDREDS of us imported and sold by us during a year of ten years, every one, we believe, doing all kinds and all breeds, is now and doing well, with the exception of five. We feel safe in saying that no establishment in America can approach such a showing for the length of and the large number of animals. A careful and judicious person will not consider this important fact, in his purchases. We invite critical inspection of our stock and careful comparison with that of other establishments.

SEED Warranted to Grow.  
or order re-filled gratis. I have sold vegetable and flower seeds over a million farmers and gardeners in the United States, perhaps some are your neighbors. If you ask them whether they are reliable. Mr. Thomas Henshall of Tr-F. Kansas, writes me: "For 25 years I have dealt with you. I have lived in Iowa, Missouri, Colorado, and Kentucky, and no matter what the soil or climate, the result was always the same, to wit—religiously honest and good." This is the kind of seed I raise and sell. The Hubbard and Marblehead Squash, Marblehead Corn, Marblehead Cabbages, Ohio Potato, Eclipse Root, are some of the vegetables of which I was the original producer. A Fair with both premiums.
