

be paid to secure the installation of the municipal telephone system to the railway stations there. Any arrangement made will do away with the necessity of the appeal to the Supreme Court which it was proposed to make. The arrangement will be confirmed in a judgment of the Railway Commission.

The Bell Telephone Co.'s new up-town exchange in Montreal will be situated on Mountain St., and will have a frontage of 56 ft., with a depth of 114 ft. The building will be set back from the street 15 ft., and will conform to the residential character of the street. In the basement in addition to the furnace room, etc., will be the runways for the cables; on the first floor will be the public room, room for batteries, etc., and the 10,000 instrument switchboard will be placed on the second floor.

The New Brunswick Telephone Co.'s annual meeting was held at Fredericton, June 12, when it was decided to make a number of extensions during the current year. These lines will include one from Chatham to Dalhousie, connecting with Bathurst, Campbellton and other places along the north shore; one from Canterbury to McAdam; one from St. Stephen to Moore's Mills, and one from Lepreau to Musquash. It was also decided to erect a \$6,000 building on Carleton St., Fredericton, for head offices; to extend and improve the lines in Moncton, and to extend the line to Edmondston, to connect with the line of the Kamarouska Telephone Co. A dividend of 4% was declared for the half year. The officers and directors for the current year are: President, Hon. A. G. Blair; Vice-President, J. L. Black; Treasurer, Hon. F. P. Thompson; Secretary, W. E. Smith; other directors: Dr. Stockton, M.P., St. John; C. F. Sise, Montreal; C. Fawcett, W. T. Whitehead, M.P.
