A Store Home.

At a retailer's convention in one of the states of the union some time ago, the states of the union some time ago, as Compared with paper on "Retailing as Compared with paper on "Retailing as Compared with a single state of the states of th me: You gave me candy when I. It is a big time to have such a remark made to you if you are still in business. These grown up chandles than the care more men chandles than the care more mental through the control of the care with the care w lieve that too many merchants are not honest with themselves when they are keeping stock or invoicing. I have keeping stock or invoicing. I have keeping stock or invoicing. I have keeping stock in the stock is poisoned by odds and ends as it is in no other way. The merchant should be perfectly clear on this subject and as soon as he sees odds subject and as soon as he sees odds subject and as soon as he sees odds as remaints. Moreover, he should be honest with himself when he is invoicing passe stock and not invoice it at what it costs him, but at selling a twint it costs him, but at selling a passe stock and not invoice it at what it costs him, but at selling a pecial sales himself, or give them in charge of some one who thoroughly understands the situation. The great understands the situation. The great cand not to full control of the stock of the s times. I always had it understood that when a certain time came if the account had not been settled I was to have a note. This has always been my practice to secure my book accounts. If their note was not good I my practice to secure my boo counts. If their note was not a insisted on them securing it and insisted on them securing it and when the note became due I have always to looked after it myself. I have found it difficult to get interest on an open account, but a note will always get interest. The interest on notes pays the interest on the money in the open accounts. I believe every merchant should protect himself this way. I should protect himself this way. I should protect himself this way. I should protect himself this way. should protect himself this area.

should protect himself this area.

le going to do a credit business, that the qualities of a good collector if he is going to do a credit business, that do not be the state of the collect an account better than anyone else. Discretion must be than anyone else. Discretion must be if in any department of one to maintain a life in any department of one that a merchant should at all times maintain a high standard for homesty, both with which he deals. Moreover, I believe which he deals. Moreover, I believe high standard for honesty, both with the customers and with the firms with which he deals. Moreover, I believe the high standard of the

KOLA WINE TONIC

Made from Kola, Celery and Pepsin.

The Hygiene Kola Co. are receiving the following kinds of testimonials every day. This is a sample of them, copied from the Winnipeg Tele-gram: "Most people in west know Killarney is. A great number of us have been there and stopped at that up-to-date hotel, the Le

kola NUT Coleman Bros. Richard Coleman, one of the genial proprietors, was afflicted with asthma and stomach troubles, but after using and stomach troubles, but after using al-most every remedy known to man, has been brought back to health by the use of the world famous Kola Tonic Wine. In referring to his remarkable recovery he writes as follows:

Killarney, May 29, 1902

Jos. Reid. Esc., Manager Kola Tonic Wine Co., Winnipeg. Dear Sir-It might be of interest to you to learn that I have been completely cured of stomach troubles and asthma six months ago I had become a physical Travellers to our hotel and others said that I could not live two months. In vain I had tried doctors, and in fact almost every patent medicine under the sun, but to no avail. My friends had giv-en up all hope. I weighed only 33 pounds. But every dark cloud has its silver lin-ing. We placed in stock a quantity of Kola Tonic Wine. I commenced to use it and in a very short time noticed a marked improvement in my condition. Thanks to Kola Wine I am now a healthy man again, and eat any sort of food I wish Your Kola Wine as a tonic has no equal We have already sold 19 cases, and would We have already sold is cases, and would not consider our liquor stock complete without it. It is the most thoroughly honest medicine that sickly men and women can procure. Wishing you a con-tinuance of the same success, which Kola Wine merits, I am Sincerely yours

RICHARD J. COLEMAN.
