

THE HAIR.—Read what Elder D. T. Taylor of Rouse's Point, N. Y., says on the hair. The human hair, bleached by age, fright of disease, can be fully restored to its natural color without dyeing it. My case illustrates this statement truthfully. My hair for seventeen years has been gradually growing white and falling out; but, in a short time I have back my old Auburn locks. My hair is as firm as when young; this has been accomplished by the use of Hall's Vegetable Sicilian Hair Renewer. It does its work rapidly, is cooling, healing, and in my case effectually, without harm to brain, body, or general health; this cannot be said of any other preparation sold. I do not know the wonderful ingredients, but I do know experimentally, and by observation in a score of cases, that it is a most marvelously transforming compound. Heads of sixty-five are changed by it to the color of youth. The proprietors, R. P. Hall & Co., Nashua, N. H., will sell to clogymen at wholesale prices.

THE ALABAMA CLAIMS are now up again for adjustment, and the British government has expressed itself desirous of an arbitration. Among the claims persistently pressed, are those of the ever-present and active J. C. Ayer & Co., for the value of shipments of Cherry Pectoral, Sarsaparilla, Ague Cure, and Pills, in transit to Oregon, Vancouver's Island and Russian America, discovered on the Anna Schmidt off the coast of South America. So universal is the use of their remedies, that they are sold on almost every sea, and thus firm is frequently caught between the upper and neither millstones of contending nations. But they are known to stand up for their rights, and to get them.—*Republican*, Washington, D. C.

Messrs. W. G. Chute & Co.
GENTLEMEN:—I feel bound by a sense of duty, and a desire to benefit my fellow-beings, to make known the wonderful effect of your Indian Rheumatic Cure has had in my case. I suffered from rheumatism for six years, and tried everything said to be beneficial without obtaining relief, and I come to the conclusion to try nothing more; but my husband, hearing of your medicine wished me to try it, and with a doubting heart I tried one bottle, and I was so much relieved by it that I tried another, which completed the cure. I hope you will publish this, for these are facts, as many in this neighbourhood can testify. Hoping your medicine will reach every one afflicted, I remain, yours truly,

ELECTRICITY! THOMAS' EXCELSIOR ELECTRIC OIL.—WORTH TEN TIMES ITS WEIGHT IN GOLD.—Pain cannot stay where it is used. It is the cheapest medicine ever made. One dose cures common sore throat. One bottle has cured bronchitis, fifty cents' worth has cured an old standing cough. It positively cures catarrh, asthma, and croup. Fifty cents' worth has cured crick in the back, and the same quantity lame back of eight years' standing. The following are extracts from a few of the many letters that have been received from different parts of Canada, which, we think, should be sufficient to satisfy the most skeptical: J. Collard of *St. Catharines, Ontario*, writes, "Send me 6 doz. Dr. Thomas' Electric Oil, have sold 4 doz. I had from you and want more now." Cures are truly wonderful." Wm. Maguire, of Franklin, writes, "I have sold all the agent left, it acts like a charm—it was slow at first, but takes splendidly now." H. Cole, of Iona, writes, "Please forward 6 doz. Thomas' Electric Oil, I am nearly out, nothing equals it. It is highly recommended by those who have used it." J. Bedford, of Thamesville, writes—"Send at once a further supply of Electric Oil, I have only 1 bottle left. I never saw anything sell so well and give such general satisfaction." J. Thompson, Woodward, writes—"Send me some more Electric Oil. I have sold entirely out. Nothing takes like it." Miller & Reed, of Ulverton, P. Q., writes—"The Electric Oil is getting a great reputation here, and is daily called for. Send us a further supply without delay." Lemoyne, Gibb & Co., of Buckingham, P. Q., writes—"Send us one gross Electric Oil. We find it to take well."
Sold by all medicine dealers. Price 25 cents. S. N. THOMAS, Phelps, N. Y.

CURE OF EPILEPSY; OR, FALLING FITS.
BY HANCOCK'S EPILEPTIC PILLS.
Persons laboring under this distressing malady will find relief by the use of the only remedy ever discovered for curing Epilepsy or Falling Fits.
The following certificates should be read by all the afflicted, they are in every respect true, and should they be read by one who is not afflicted, it will be the friend of a sufferer, he will do his human act by cutting this out and sending it to him.

A MOST REMARKABLE CURE.
PHILADELPHIA, June 28th, 1867.
SIR:—I have the honor to acknowledge the receipt of your advertisement in relation to your Epileptic Pills. I was attacked with Epilepsy in July, 1853. Immediately my physician was summoned, but he could give me no relief. I then consulted another physician, but it seemed to grow worse. I then tried the treatment of another, but without any good effect. I again returned to my family physician; he was called and prescribed different times I was generally laid up with any ordinary symptoms. I had from two to three fits a day, at intervals of two weeks. I was often attacked in my sleep, and would fall whenever I would be, or was never occupied with, and was severely injured several times from the falls. I was affected so much that I lost all confidence in myself. I also was obliged to give up my business, and I consider that your Epileptic Pills cured me. I received your Pills, and immediately used your Pills, and only had two attacks afterwards. The last one was in April, 1867, and they were of a violent nature. I have not had another since. I think that the Pills of your Epileptic Pills should be known to every one who has the disease, or who is afflicted with it, as they may have the benefit of them. Any person wishing further information can obtain it by sending me my residence, No. 23 North Third St., Philadelphia, Pa., and I will send you a copy of my certificate, and a box of Pills, if you will send me the money for the same. Yours, &c.,
WILLIAM ELDER.

IS THERE A CURE FOR EPILEPSY?
The subjoined will answer.
GRENADA, Miss, June 30—SIR:—I have the honor to acknowledge the receipt of your advertisement in relation to your Epileptic Pills. I was attacked with Epilepsy in this part of the country. My son was laid up with fits for two years. I wrote for and received two boxes of your Pills, which I took according to directions. He has never had a fit since. It was by my persuasion that Mr. Lybott tried your Pills. His case was a very bad one; he had nearly all his life been afflicted with Epilepsy, and he had tried every other remedy. I concluded to try your Pills. I obtained two boxes of your Pills, gave them according to directions, and they effected a permanent cure. The person I tried a stout, healthy man, about 30 years of age, and has not had a fit since he commenced taking your medicine, ten years ago. He was my private physician, and has since that time been exposed to the severest of weather. I have great confidence in your remedy, and would like every one who has fits to give it a trial.

ANOTHER REMARKABLE CURE OF EPILEPSY; OR, FALLING FITS.
BY HANCOCK'S EPILEPTIC PILLS.
MONTGOMERY, Texas, June 20th, 1867.
To SURE S. HANCOCK—A person in my family had been afflicted with Epilepsy or Falling Fits for several years, and the attacks at intervals of two to four weeks, and sometimes several in quick succession, sometimes continuing for two or three days. On several occasions they were so violent that his mind appeared totally deranged, and he would continue for a day or two after the fits ceased. I tried several remedies prescribed by our resident physician, but they all failed to give him any relief. I concluded to try your Pills. I obtained two boxes of your Pills, gave them according to directions, and they effected a permanent cure. The person I tried a stout, healthy man, about 30 years of age, and has not had a fit since he commenced taking your medicine, ten years ago. He was my private physician, and has since that time been exposed to the severest of weather. I have great confidence in your remedy, and would like every one who has fits to give it a trial.
J. L. DEFEVER.

STILL ANOTHER CURE.

HALL'S
Vegetable Sicilian Hair Renewer
Every year increases the popularity of this valuable Hair Preparation, which is due to merit alone. We can assure our old patrons that it is kept fully up to its high standard, and to those who have never used it we can confidently say, that it is the only reliable and perfected preparation to restore GRAY OR FADED HAIR to its youthful color, making it soft, lustrous, and silken; the scalp, by its use, becomes white and clean; it removes all eruptions and dandruff, and by its tonic properties prevents the hair from falling out, as it stimulates and nourishes the hair glands. By its use the hair grows thicker and stronger. In baldness it restores the capillary glands to their normal vigor, and will create a new growth, even in extreme old age. It is the most economical HAIR DRESSING ever used, as it requires fewer applications, and gives the hair that splendid glossy appearance so much admired by all. A. A. Hayes, M.D., State Assayer of Mass., says, "the constituents are pure and carefully selected for excellent quality, and I consider it the BEST PREPARATION for its intended purposes." We publish a treatise on the hair, which we send free by mail upon application, which contains commendatory notices from clogymen, physicians, the press, and others. We have made the study of the hair and its diseases a specialty for years, and know that we make the most effective preparation for the restoration and the preservation of the hair, extant, and so acknowledged by the best Medical and Chemical Authority.

Ayer's
Cherry Pectoral,
For Diseases of the Throat and Lungs, such as Coughs, Colds, Whooping Cough, Bronchitis, Asthma, and Consumption.

Among the great discoveries of modern science, few are of more real value to mankind than this effective remedy for all diseases of the Throat and Lungs. A vast trial of its virtues, throughout this and other countries, has shown that it does surely and effectually control them. The testimony of our best citizens, of all classes, establishes the fact, that **AYER'S CHERRY PECTORAL** will and does relieve and cure the afflicting disorders of the Throat and Lungs beyond any other medicine. The most dangerous affections of the Pulmonary Organs, and in all cases of Consumption, cured by this preparation, are publically known, so remarkable as hardly to be believed, were they not proven beyond dispute. As a remedy it is adequate, on which the public may rely for full protection. By curing Coughs, the forerunners of more serious disease, it saves unnumbered lives, and an amount of suffering not to be computed. It challenges trial, and convinces the most skeptical. Every family should keep it on hand as a protection against the early and unperceived attack of Pulmonary Affections, which are easily met at first, but which become incurable, and too often fatal, if neglected. Tender lungs need this defence, and it is unwise to do without it. As a safeguard to children, amid the distressing diseases which beset the Throat and Chest of childhood, **AYER'S CHERRY PECTORAL** is invaluable; for, by its timely use, multitudes are rescued from premature graves, and saved to the love and affection centred on them. It acts speedily and surely against ordinary colds, securing sound and health-restoring sleep. No one will suffer troublesome Influenza, and painful Bronchitis, when they know how easily they can be cured.
Originally the product of long, laborious, and successful chemical investigation, no cost or toil is spared in making every bottle in the utmost possible perfection. It may be confidently relied upon as possessing all the virtues it has ever exhibited, and capable of producing cures as memorable as the greatest it has ever effected.
