The Pad is different from all others. It does not tie as if your extended hand was drawn together and one finger pointed in the center. It is held positive day and night with the slightest pressure, and healed same as a broken leg. You will be allowed three exchanges during the 40 days. There is no duty to pay when received or returned, which many Canadians found more expensive than the truss. It is the easiest, most durable, and these trusses. Sent by mail.
