JOHNSTON'S FLUID BEEF

Is generally looked upon as a winter beverage, when in reality its strengthening properties are perhaps more requisite during the hot months of summer when our appetites fail us, we don't feel inclined to eat anything, and yet we require something to keep up our strength. By taking two or three cups of JOHNSTON'S FLUID BEEF during the day it will be found to strengthen, refresh and nourish the system, and supply in every respect the place of meat diet.

St. Leon Water Transfer.

FELLOW CITIZENS.—We will ever warmly reciprocate your unbounded support in placing orders for St. Leon Water. So enthusiastic that it stirred up the populace to the furthest bounds of our Dominion westward. Overwhelmed with these orders from outside points, Rolling stock inadequate to convey water. We, therefore, have made over to Messrs James Good & Co., an interest in the St. Leon Springs, to all the water he can dispose of in the city of Toronto, or to any point supplied. They to act sole agents in our place and stead. We kindly crave for them a continuance of your liberality. Feeling certain that this change will be highly gratifying to all, Mr. Good's name being a safe guarantee that your orders will in future be attended to with strict punctuality; in which your humble servant, endeavouring to do our utmost, had very often to disappoint you.

Adieu, bon ami. **C. E. A. LANGLOIS, Man. St. Leon Water Co.**

Hall's VEGETABLE SICILIAN Hair Renewer.

Hall's Hair Renewer restores gray hair to its original color; makes the scalp white and clean; cures dandruff and humors; prevents the hair from falling out, and renders it soft and brilliant. The editor of the "Ocean Foam," Cape May, writes: "We speak knowingly, when we assert that Hall's Vegetable Sicilian Hair Renewer is the best of its kind. The article is an elegant and cleanly one, without which we think no toilet complete." Thos. D. Jones, Middle Granville, N. Y., writes: "I have used

The advance of time is heralded by bleached, thin, and falling hair. By the use of Hall's Hair Renewer, the hair may be restored to its original color, lustre, and vitality. M. N. Johnson, Fitchburg, Mass., writes: "My hair was weak, thin, and full of dandruff. Hall's Hair Renewer has removed the dandruff, and caused a vigorous growth of new hair." Abel H. Smith, Portsmouth, Va., writes: "My hair had nearly all fallen out, and that which was left was dry and dead. I used one bottle of Hall's Hair

Hall's Hair Renewer,

Renewer about ten years, with satisfactory results." E. G. Perkins, Oberlin, Ohio, writes: "I consider Hall's Hair Renewer the best hair preserver in use. I have used it for the past twenty years, and my hair is in as vigorous and healthy a condition as when I was 30 years of age. Not a sign of gray hair to be seen anywhere." Dwight L. Chamberlain, Oakland, California, writes: "My hair, which was nearly white, has been restored to its original color and luxuriance by the use of Hall's Hair Renewer."

and now rejoice in the possession of hair as abundant as ever." E. J. Adams, St. Paul, Minn., writes: "A diseased scalp caused my hair to fall out, and, after using a number of preparations without avail, I finally tried Hall's Hair Renewer, which caused a vigorous new growth. I am still using it, and could ask for no better results." Mrs. R. H. Corning, Battle Creek, Mich., writes: "By the use of Hall's Hair Renewer, my head, which was quite bald, has been covered with a fine growth of young hair."

Rev. P. J. Ed. Page, Professor of Chemistry Laval University, Quebec, says:—I have analysed the India Pale Ale manufactured by John Labatt, London, Ontario, and have found it a light ale, containing but little alcohol, of a delicious flavour, and of a very agreeable taste and superior quality, and compares with the best imported ales. I have also analysed the Porter XXX Stout, of the same Brewery, which is of excellent quality; its flavour is very agreeable; it is a tonic more energetic than the above ale, for it is a little richer in alcohol, and can be compared advantageously with any imported article."
