

**KID GLOVES**

TANT-MIFUX 4 Button French Kid Glove.

**KID GLOVES**

WE have been appointed Agents for this Celebrated Glove. It is placed upon our readers' notice from the manufacturing tables of the **Makers in Grenoble, France.** All middle and between joints are leaped and we observe the glove at *First Hands on a Simple Commission* *Prove*, hence the secret of their Value.

Although little known in this market, their *extraordinary* *quality* *and* *remarkable* *elasticity* has gained for them an unparalleled hold, both in Europe and America. Our statement may be questioned, but we are not less certain that they are of *actual wearing value* equal to any Josephine Kid Glove ever made, whilst our prices are only **64 cents a pair**, except post paid orders, made in *lans*, assorted Browns and Blacks, and are cut upon a scale of measurement slightly smaller than I send you. We will send them postage paid to any address. Write for a pair and try them upon the reputation we have at stake, as they will not return a single pair.
