

WORK GROUP 3A  
INTERIM REPORT

	<u>Page</u>
I. Introduction	1
A. Terms of Reference	1
B. Overview of Work Group Activities	3
II. Executive Summary	5
A. Overview of Transboundary Air Pollution	5
B. Overview of Acid Deposition	5
C. Summary of Work Group Interim Reports	12
III. Preparation of Strategy Packages	35
A. Review of International Principles and Practices	36
B. Assumptions for Baseline Scenarios	40
C. Guidance for Preparing Control Strategy Packages	43
IV. Coordination	45
A. Inter-Work Group Coordination	45
B. Coordination of Research and Monitoring Activities	45
C. Identification of On-going Research Programs	47
V. Phase II Work Group Activities	48
A. Analysis Activities in Phase II	48
B. Recommendations for Additional Study by Work Groups	50
C. Preparation of Phase III Work Plans	52
VI. Conclusions	56
VII. Appendices	
A. Annex to the August 5, 1980 Memorandum of Intent	
B. Recommendations to U.S. Work Group 3B	
C. Recommendations to Canadian Work Group 3B	
D. Representative Baseline Scenario Assumptions	
E. North American Acid Deposition Research Programs	
F. Work Group 3A Membership
